SO-CALLED "JEWS" COINED THE TERM "ANTI-SEMITISM" AS A SMEAR-WORD; AS SMOKE-SCREEN FOR COMMUNISM!

**FREEDOM OF SPEECH AND FREEDOM OF THE PRESS ARE CONSTITUTIONAL RIGHTS;
THE EQUAL RIGHTS OF ALL CHRISTIANS TO BROADCAST ALL NEWS AND ALL VIEWS
ABOUT SO-CALLED "JEWS" UNCENSORED BY FEAR OF AN "ANTI-SEMITISM" SMEAR!**

"Anti-Semitism" the smear-word, the world's most meaningless, most misunderstood and most misused term;
coined as their smear-word by so-called "Jews" in 1880's for sole purpose of smearing Christian resistance,
defense against "revolutionary activity" by so-called "Jews" as "spearhead" of communist world-revolution;
now their smear-word weapon for character-assassination of those who expose or oppose their "activities"!

By Benjamin H. Freedman

Unsuspecting Christians find themselves
today the victims of a great deception, which

"energy" of their "revolutionary activity"
made so-called "Jews" the 'spearhead' of
communism's first effort to implement Karl
Marx's program for world-revolution. In all

today the victims of a great deception, which is without an equal in all the recorded history of civilized mankind, as a sinister and sordid betrayal. The purpose projected for this deception is the ultimate substitution of communism for Christianity, wherever Christianity is practised in this world today. If the aim of this deception is realized in full, it means that Christianity will be forever eradicated from the face of this earth, and the name of Jesus Christ will be blotted from the mind of Man in perpetuity. That is the price Christians will pay for their ignorance, and the penalty they will suffer for their indifference, to a deception which threatens to extinguish the light of Christianity for all time. It may soon be too late to turn back the clock of history.

It has long been planned by so-called "Jews" to achieve this objective by relentless use of the term "anti-Semitism" as a lethal weapon for the character-assassination of Christians who come to the defense of Christianity in this life-and-death struggle for survival against communism. Their monopolistic control of the media of mass-communication by so-called "Jews", the newspapers, magazines, radio, television and motion pictures, gives so-called "Jews" the power to ruin Christians, by smearing them as "anti-Semites." The fear of that smear terrorizes Christians. The "anti-Semitic" smear wreaks political, economic and social havoc in the lives of Christians, more cruel than the most sadistic physical torture.

It must be made clear to Christians that the world's greatest authorities on the history, theology, philology and etymology of the term "anti-Semitism" are in unanimous agreement that the term was conceived as a fraud upon the Christian world. They characterize the use of the term "anti-Semitism" as a dangerous distortion of historic fact. They feel certain if any advertiser misrepresented his product, to the extent so-called "Jews" misrepresent the term "anti-Semitism" in the media of mass-communication monopolized by them, the Federal, State or local authorities would soon have the guilty party behind bars;

under the laws for the protection of the public against fraud.

MOST MISUSED TERM

Christians in all walks of life must be alerted that the term "anti-Semitism" is the world's most misleading, most misunderstood, and most misused term. It was coined as a smear-word in the 1880's by so-called "Jews" as a device to conceal from Christians their sole responsibility for the existence of communism. Christians were brainwashed by so-called "Jews" to believe the term "anti-Semitism" defined an unjustified dislike by Christians for so-called "Jews", based only upon religious differences, and allegation that Jesus Christ and so-called "Jews" were both "Semites."

SPEARHEAD OF COMMUNISM

The term "anti-Semitism" was intended as a smoke-screen to conceal from Christians responsibility of so-called "Jews" for the origin, organization and operation of communism. The *Encyclopaedia Britannica* characterized so-called "Jews" as the "spearhead" of communism from its birth. After the most extensive investigation into the origin of communism, *Encyclopaedia Britannica* research uncovered the fact that the

Marr's program for world-revolution. In all editions of the *Encyclopaedia Britannica* since that discovery, including the 1960 edition, the *Encyclopaedia Britannica's* history of the origin of communism makes the following reference to so-called "Jews":

"They ["Jews"] engaged in revolutionary activity on a large scale, and their ["Jews"] energy made them the spearhead of the Party."

The history of the origin of communism from which the above quotation was taken, was written for the *Encyclopaedia Britannica* by Harold J. Laski, himself a so-called "Jew," and the world's foremost authority on the history of communism, resulting from a lifetime of close personal identification with communism. At the time Laski wrote this history of communism for *Encyclopaedia Britannica*, it was owned by Julius Rosenwald, himself also a so-called "Jew", of Sears Roebuck & Co. of Chicago fame and fortune. Under the circumstances, the *Encyclopaedia Britannica* would not have published the above quotation, unless it was founded upon fact, and approved by Rosenwald and Laski at the time the Soviet Union was pictured by them as a "Utopia" and a "workingman's paradise." It is a tribute to *Encyclopaedia Britannica's* reliability that they continue to publish that historic fact when altered circumstances must now embarrass so-called "Jews."

Furthermore, the Library of Congress contains thousands of domestic and foreign newspapers, magazines, religious periodicals, documents, records and books dealing with communism, published between 1917 and 1945, supplying confirmation that leading so-called "Jews", in all walks of life throughout the world, demanded recognition for exclusive authorship of communism, and for establishing the first communist government in history, the Union of Socialist Soviet Republics in Russia in 1917, as a showcase for the world to see communism at work. Their pride of authorship for the rise of communism to world prom-

—0— Continued from page 1 —0—

inence was registered in no uncertain terms in the material available in the Library of Congress.

And furthermore, the National Archives of the United States, Great Britain, France, Netherlands, Belgium and other countries, have made available countless official documents and records, also confirming the claims by so-called "Jews" between 1917 and 1945, for exclusive authorship of communism, and for establishing the 1917 revolution in Russia, which unloosed communism upon an unsuspecting world. This data shatters the illusion of Christians before 1945 that the Soviet Union was a "Utopia" and "a workingman's paradise." Christians have learned a lot about communism since 1945. The communist cat got out of the bag after the end of World War II.

In the 1880's, Christians in eastern Europe were compelled to adopt measures in self-defense against the rising tide of communism. Communist aggression against Christianity was increasing rapidly under the leadership of so-called "Jews" as the "spearhead" of "revolutionary activity." Christians aimed to preserve the Christian political, economic and social systems in eastern Europe. The term "anti-Semitism" was coined by so-called "Jews" at that time. They aimed to silence Christians who opposed communism by smearing them as "anti-Semites." Christians had been brainwashed that the so-called "Jews" were survivors of the Semite "race," "religion" and "nation" which gave Christians their Semite Lord and Saviour, Jesus Christ, and consequently it was un-Christian for Christians to dislike so-called "Jews."

"JEWS" NOT SEMITES

It is an undeniable fact that Jesus Christ was a "Semite" in the true sense of the term. It is equally an undeniable fact that the so-called "Jews" were not "Semites" in

this subject, and was himself a so-called "Jew." In his "Memoirs," Ludwig Bamberger stated that in 1858 the term "Semitism" had "not yet been invented." In 1881 a leading authority on this subject published in the "Allgemeine Zeitung des Judenthums" that "anti-Semitism" was "a designation which recently came into use." In the same publication in the same year, another authority published the fact that "anti-Semitism" is a "quite recent" designation that was "hardly three years old." The first appearance of the word "anti-Semitism" in print appeared in 1880 in Wilhelm Marr's collection of articles on that subject.

A TERM WITHOUT MEANING

In the 1880's so-called "Jews" coined the term "anti-Semitism" from the term "Semite." In view of what the term "Semite" meant, it is not certain what the term "anti-Semitism" can mean. It must be apparent that it is meaningless, misunderstood and misused, if it was intended to mean a dislike for so-called "Jews." There was no necessity to coin a term to express a dislike for so-called "Jews" because such a word already existed in the dictionaries, and was then in use by so-called "Jews", including the Chief Rabbis of leading European countries.

JUDAEOPHOBIA CORRECT TERM

Prior to the 1880's the dictionary term for a person who disliked so-called "Jews" was "Judaephobe." The dictionary term for dislike of so-called "Jews" was "Judaephobia." The Chief Rabbi of England, Herman Adler in *Electric Magazine* XXXV in 1882 states on page 205. "The most rabid Judaephobe," and on page 196, "Recent phases of Judaephobia." Thousands of other quotations are available showing the use of "Judaephobe" and "Judaephobia" before "anti-Semitism" was coined. The so-called "Jews" evidently wished to discontinue the use of terms "Judaephobe" and "Judaephobia" because it drew unfavorable attention to the term "Judaeo", reflecting adversely upon so-called "Judaism." The use

scendants can truthfully be called "Jews." The Middle East province of the Roman Empire called "Judea" ceased to exist after the fall of the Roman Empire. There are only "so-called "Jews" in the world today, there are no "Jews" in the world in the sense Jesus Christ is called a "Jew."

STOP USE OF FALSE TERM

Christians must do everything in their power to stop the use of the term "anti-Semitism." Christians must stop the use of the term "anti-Semitism" or permit the creeping-conquest-of-Christianity to take its toll. Christians can soon stop the use of the term "anti-Semitism." Christians should "Boo" speakers who use the term "anti-Semitism" in their presence. If this were done, they will soon stop using it. Christians should make no exceptions to that rule. Christians should write letters to newspapers, magazines, radio and television networks and local stations, motion-picture producers, their Congressmen and Senators, their other elected officials and religious publications. Protest against the use of the term "anti-Semitism." Protest you are not an ignoramus. Protest against their insult to your intelligence.

If Christians had the courage to use methods like those used by the Anti-Defamation League of the B'nai B'rith, the terms "anti-Semitism," "anti-Semitic" and "anti-Semite" would soon never be seen or heard again. If Christians want to see Christianity go down the drain, just do nothing to stop so-called "Jews" from using the terms "anti-Semitism," "anti-Semitic" and "anti-Semite." Christianity is worth saving from communism. Start the "Boo" campaign in your neighborhood today, and write letters whenever you see these terms in print. It is up to Christians to save Christianity. The so-called "Jews" will not do it for Christians, hardly!

Enclose a copy of this issue of "Common Sense" with your letter—you will help to

term. It is equally an undeniable fact that the so-called "Jews" were not "Semites" in any sense of the word, by any stretch of the imagination, nor were their ancestors, back to the beginning of time "Semites" either, according to the *Jewish Encyclopedia*, Volume IV, pages 1 to 5, and every other authentic history of the so-called "Jews" under consideration here.

WHAT IS A "SEMITE?"

What is the correct meaning of that word?

Noah had three sons, Japeth the legendary ancestor of the European populations, Ham the legendary ancestor of the African population and Shem the legendary ancestor of the Middle East population. The name "Shem" became "Sem" in Greek and Latin when the legend of Noah was accepted by the Greeks and Romans. In 1781, Professor August Ludwig von Schlosser, a professor in Gottingen University in Germany, in writing about language-groups coined the word "Semitic" to describe the language-group spoken by the legendary descendants of "Sem", the nations in the Middle East, who spoke many languages with similar vocabularies and similar grammar structures. Prior to 1781, the term "Semitic" did not exist in any language of the world. The term "Semitic" did not infer or imply race, religion or nationality. The terms "Semite" and "Semitism" did not yet exist in any language of the world.

In 1899, Ludwig Bamberger was recognized as the world's leading authority on

attention to the term "Judaean", reflecting adversely upon so-called "Judaism." The use of the terms "Judaephobia" and "Judaephobia" put so-called "Judaism" on the defensive, whereas "anti-Semitism" put Christians on the defensive, as an enemy of Jesus Christ, the "Semite." But so-called "Jews" continue to use the term "Judaean", as they do in the term "Judaean-Christian", to which they attach more complimentary connotation as in their use of "Judaean-Christian."

"JEWS" OF KHAZAR ORIGIN

The term "so-called 'Jews'" is used to describe the persons of Khazar origin who profess a religious belief called "Judaism" in modern times, and who conceived, created and cultivated communism. The term "Jew" was coined in the 18th century, as the English term for the Greek "Ioudaios" and the Latin "Iudaeus." The Greek "Ioudaios" and the Latin "Iudaeus" meant "Judean." Jesus Christ was mentioned either as a "Ioudaios" or as a "Iudaeus" in the original Greek and Latin manuscripts of the Bible from which the first English translation was made in the 14th century. When the first English translation of the Bible was made, the converted Khazars in eastern Europe were not known as "Jews." They elected in modern times to call themselves "Jews", based upon their allegation that if Jesus Christ was a "Jew" they were also "Jews", because they were allegedly "Semites."

CHRIST NOT A "JEW"

If Jesus Christ was a "Jew," there are no "Jews" in the world. If the descendants of the converted Khazars call themselves "Jews", Jesus Christ was not a "Jew." Inscribed on the Crucifix by Pilate was "Iesu Nazarenus, Rex Iudaeorum." Any first-year Latin student knows that "Iudaeorum" can only mean "of the Judeans," the Genitive Plural of the Nominative Single "Iudaeus," meaning "Judean" in Latin. Jesus Christ, in English translations of the Bible, is a "Jew" only in the sense He was a "Judean." The converted Khazars were not "Judeans," and neither they nor their de-

Sense" with your letter—you will help to SPREAD THE TRUTH.

Some people become excited when accused of being "anti-semitic," however ridiculous to those of us who know that all followers of Christ are considered "anti-semitic" by the anti-Christ forces.

Robert Donner, prominent Zionist writer, in the *REPUBLIC OF ISRAEL*, page 10, states:

"To Christians of all denominations Jesus is the symbol of all that is pure, sacred, and lovely. To Jews from the fourth century on, Jesus became the symbol of anti-semitism, of libel, of cruelty, of violent death."

DOMINICAN REPUBLIC - ONLY FRIEND IN CARIBBEAN

By Santiago Rey
(Former Cuban Minister of State)

International Communism, victorious in Cuba, consolidated through force and terror by the bloody regime of Fidel Castro, now looks towards the Dominican Republic as its immediate objective.

This anti-Communist bulwark in the Caribbean, more than an insurmountable obstacle to progressive red infiltration in the Hemisphere, has become an irritant to the overall hierarchy of the Marxist doctrines by virtue of the virile, brave and decided attitude adopted before the Americas by the great leader of that country, Generalissimo Rafael Leonidas Trujillo Molina.

For this reason, now that Cuba has become the first satellite the Russians have in the Americas, the Government of the Dominican Republic, and her insuperable leader, are the focal point for their attacks; allowing them to prove to the rest of the Latin American nations that Red activities, gradually, though relentlessly, are being successfully carried on by the blind slaves who obey the orders of their lords and masters in Moscow.

In the same way as happened in Cuba, now, at this moment, a section of the press and radio, though not Marxist, is playing into the hands of the Russian agents. And, with a mixture of naivete and stupidity, they are falling into the trap of facilitating their propaganda and dissemination media for use against the Dominican government without it occurring to them that they are backing the Bolshevik cause and fighting against the most outstanding and impregnable anti-Communist fortress throughout the whole of the Caribbean.

The Dominican Republic, which is assaulting no one, and which only aspires to live in peace with other nations, is imperturbably

WHICH WAY CASTRO?

Fidel Castro has allowed the communists to move in around him and turn Cuba against the United States, the closest and most valuable friend.

dramatic denunciations published by the families of these Cuban prisoners, unfortunate victims of the sadism of their unscrupulous jailors and of those who torture for pleasure, not rouse compassion and horror? Does it mean nothing? Is not indignation aroused by the affronts suffered by these families and, particularly, by the wives of these prisoners, when they attempt to see them or to ask about them?

Take any month of those that Cuba has been suffering Castro's tyranny, and look at the list of prisoners and people arrested, published by Castro's press itself, and you will see the amazing number there have been. And yet, this fact does not appear to have moved any sensitive soul, to have caused any voice to be raised in protest;

Marti, before whose statue the representative of Russian despotism deposited a wreath in the form of a hammer and sickle. And, in face of general indifference, Raul Castro and Che Guevara mock the U. S. flag. And Fidel Castro outrages the Cuban flag, placing alongside it and in a preferential position, that of Soviet Union.

And the same thing occurs when the permanently genuflected puppet President, Dorticos, bows so deeply that he becomes a mat on which the arrogant Moscovite wipes his insolent boots, splashed with the blood of millions of victims, with the tears and mourning of oppressed peoples and with the mud of steppes, and whom the traitors to their country who are wielding power in Cuba, receive as if he were their master.

And yet, around the whole of this tragic and grotesque picture, which produces pain, indignation and nausea, a heavy shroud of silence, indifference and conformity is wrapped, denoting at bottom a secret and incomprehensible cowardice.

By reason of it all, the contrast between certain exasperating sensibilities in the case of the Dominican Republic, and a suspicious dullness in face of ruthless forms of repression and vengeance—like those that are savagely used daily in Cuba, there arises the preoccupying and anguished question: is it possible that the Communists have a right to oppress, jail, steal and murder, as they did in Hungary and are doing today in Cuba, helped by the general cowardice and complicity of those who maintain a guilty silence and inhuman indifference?

The Communist conspiracy in the Americas, against which I have been battling, and will continue to do so without pause or rest, employs, it must be recognized, intelligent factors, and carries out well coordinated plans which, on occasions, confuse public opinion, through malicious cam-

mendacious and insidious campaigns; it has beaten off, in an exemplary manner, several attempts at invading its territory; and it will continue, inspired by the leadership of its guide and mentor, Generalissimo Trujillo, to perform fully the historic mission God has given to it at this moment of decision for the world. Luckily for the nation, the firm hand of Generalissimo Trujillo will continue, with that energy that characterizes it, to steer the ship of state through rough and difficult seas in which the audacity and the aggressiveness of the Reds contrast most clearly with the incomprehensible timidity and inexplicable vacillations of the nation representing the great antagonistic force.

The flourishing economy of the Dominican Republic, its magnificent transformation, the solidity of its institutions, the development of its wealth, the stability of its political regime and its permanent advance post in the universal war against Communism, are things that the service minions of the Kremlin are not disposed to tolerate. It is for this reason that, against this nation and against its guide and symbol, Generalissimo Trujillo, plots are hatched, crimes planned, invasions attempted and an adverse public opinion created by means of lies, slander and defamation.

As a slight, though expressive, example of the nefarious publicity campaign that is being carried on, it is worth placing on record how, as the result of a frustrated plot against the powers of the State, and because of the arrests carried out (as is only logical in such cases), there have appeared news items in the papers, and loud voices have been heard over the radio, with that insistence which proves the insincerity and bias of their origin, giving tongue to hypocritical lamentations by reason of the number of arrests made.

And yet, not a word is said about the twenty thousand political prisoners, heaped together and hungry, in tunnels, cellars, and medieval prisons, ill-treated, tortured, mutilated and murdered in Cuba. Do the

nor to have disturbed the peaceful sleep of those composing the UNO's Committee on Human Rights, nor even to have produced words of warning or mercy on the part of shepherds of souls. Nor does the democratic press and radio make mention of the monstrous crimes being perpetrated in the largest of the islands of the Caribbean.

YOUR EDITOR-

Conde McGinley, is in the hospital — too long hours — too much strain — hence our correspondence will suffer. Please bear with us and remember him in your prayers. Any help you can give us now will be appreciated.

His son, Bill

Rather the contrary is the case, a culpable silence has been kept about the death of Lieutenant Jose Castano, the most useful, intelligent and prepared of all the Cuban anti-Communists, murdered in cold blood by Che Guevara in a prison cell in the La Cabana fortress. And no one speaks of the unjust imprisonment, of the oppression, of the torture to which is subjected the brave and brilliant newspaperman, the Hemispheric leader of anti-Communism, Ernesto de la Fe, whose forehead was severely cut as a result of a gun whipping from one of his infamous jailors, leaving a deep and permanent scar. And they continue to torture him, mixing the insufficient and miserable food they give him with all kinds of offal and filth, as Ernesto de la Fe himself reported on an occasion when he was able to escape the vigilance of his jailors.

Complete silence is maintained regarding the continual and public slights to which Castro subjected Ambassador Bonsal, the diplomatic representative of the United States, by not receiving him nor attending to him, in complete contrast to his servile adulation of Mikoyan, about whom he moves, ridiculously, behaving like a playful and happy small boy, though dirty, fat and bearded. And no one is moved by the sacrilege committed with the memory of Jose

paings, often achieving their goal.

They are attempting something like this at the present moment. There is a small country with a brave people and a great and tranquil Chief, a Chief who will not abdicate, give up, surrender, and much less become afraid. This is the Dominican Republic. It is the Dominican people. It is Generalissimo Rafael Trujillo Molina. Thus, despite everything, the Dominican Republic will follow the course of its destiny, maintaining itself as an example to other nations as to how those who fight against the infamous Communist doctrine and keep themselves loyal to the fundamental of Christian morality and to the principles of human dignity to which Western civilization devotes itself, should adopt an upright and irreducible attitude.

PRAYER OF ST. FRANCIS OF ASSISI

(1226)

Lord, make me an instrument of Your peace; where there is hatred, let me sow love; where there is injury, pardon; where there is discord, union; where there is doubt, faith; where there is despair, hope; where there is darkness, light; and where there is sadness, joy.

O Divine Master, grant that I may not so much seek to be consoled, as to console; to be understood, as to understand; to be loved, as to love, for it is in giving that we receive; it is in pardoning that we are pardoned, and it is in dying that we are born to eternal life.

Do we at COMMON SENSE subscribe to the above? We certainly do, every line. We hate no one but love Jesus Christ and Our Country sufficiently to prompt us to expose the Marxist Anti-Christians regardless of how clever they are or how they squirm.

Dear Mr. Armstrong:

This will acknowledge and thank you for your letter of April 8.

The report to which you refer, entitled "Preliminary Report on Neo-Fascist and Hate Groups", which carries the date of December 17, 1954, is one which was not finally approved by the members of this Committee of that session of Congress. As a result, it cannot be considered an official report of the Committee on Un-American Activities.

This is the reason why, when inquiry is made in connection with "Common Sense", that the response must be that it has not been cited by any official federal agency, nor has it been the subject of hearings. I hope that this will satisfactorily explain the situation to you.

With very best regards, I am

Sincerely yours,

Francis E. Walter

In 1954 The American Jewish Committee prepared a bogus report and had a Zionist member of the staff of House Un-American Activities Committee leak this to Drew Pearson. The Zionists have used the columns of newspapers and every opportunity to convince the public that "Common Sense" has been condemned by the Un-American Activities Committee. We have answered this several times, especially in our issue No. 221 which is still available for the asking. Congressman Walter's letter

Why Are Catholics Kept In The Dark?

The fully-informed know that radio, TV and newspapers are strictly controlled, by preventing whole truths from appearing in newspapers or discussed over TV and radio; an entire population is deliberately "tranquillized" into submission, offering no resistance to the swift accuracy of the hangman's axe under the conspiratorial-drive of Metropolitan Regional Government—the 'American' version of Soviet-Metro—more dangerous than commUNism—the most dangerous of all Centralist Movements—now taking place in every home town, in one or more forms. It may be slum clearance, rehabilitation, city manager or county manager government—the drive to eliminate counties and centralize county authority in a regional or state authority; it may be a move to remodel or modernize your state constitution; it may be a drive for more Authority. Whatever the drive for more concentrated authority may be in your community, you'll find the not-too-Hidden-Hand of "1313" behind that drive!

The tragedy is that no effort is made to warn Catholics about this hangman's noose—this made-to-order straitjacket—through Catholic magazines,—nor will the Church itself or its dignitaries—arouse Catholics to this deadly and frightful Satanic conspiracy now taking place right under their own noses! Why were Hungarians, Poles, Czechoslovakians, even Russia's Catholics and Christians, "overcome"? They had no advance warning! Just as Catholics here in this country have no advance warning! We look for guidance from our Church and our priests—but our Church and priests remain silent—though keenly aware of the true meaning and full impact of the Marxist

drive.

Thus, America's bloodless revolution gains terrifying momentum with each passing hour; whilst Christianity—threatened with annihilation—offers no resistance. Few realize the Church itself maintains a "stained-glass" curtain over Catholics. Were it otherwise, were Catholics told—an overwhelming surge of resistance would have been evident long before these words were written. Alas, it boils down to "every dog for himself."

At long last, a tiny item appeared in the New York Times of Oct. 22, 1959. The substance was that Church leadership and vigorous Church objection should manifest itself with regard to Urban Renewal—and its cruel 'relocation' of low-income families, displaced by housing projects not being handled realistically.

Why is commUNism only discussed as it affects Hungary, Poland and other countries behind the Iron Curtain—and not emphasized as it attains Frankensteinian proportions here in our own country? Why is it there always seems time to campaign for monies for this or that worthy cause, but never time to organize lay groups for the purpose of 'awakening' Catholics, especially, to the 11th hour catastrophe about to swallow us—or bury us—under the atheistic boot! The Vatican states Catholicism cannot co-exist with communism! Yet—even at the 11th hour—in our own country—though we draw to the very brink of Totalitarianism—our Church, its priests and dignitaries — its Catholic magazines, its weekly bulletin-papers—studiously avoid the tiniest mention of Metropolitan Regional

Government—the most dangerous of Centralist Movements—as dangerous as Communism—now taking place in every home town. Witnessing for Christ will soon be the lot of all of us—whether we like it or not. A pity—a tragedy—our Church and its priests remain frozen in their tracks, almost a betrayal to Christianity itself!

THESE ARE THE FRUITS . . .

Propagandists for racial integration are fond of pointing out that young children, when mixed with Negroes, show absolutely no racial "prejudice" or awareness of skin color. This, they contend, "proves" that race consciousness is unnatural, and that children are taught racial "bias" by their elders. That sounds like a good argument, but it isn't, because the truth is that young children are equally unprejudiced against dirt, poisonous

insects and a multitude of other harmful or undesirable things. The fact that very young children display no racial awareness proves nothing—except that they need to be taught racial self-respect along with their table manners and personal hygiene.

On the other hand, if white children are thrown together with Negroes at every possible opportunity (as these Los Angeles City College students were) and are taught that racial integration is one of nature's noblest virtues, then scenes like the ones shown here will eventually be duplicated on every college campus

It's being planned that way. 4206

A dedicated great American patriot, who deplores the apathy and/or ignorance of many Americans re: the trend toward Communism, and the alien onslaughts upon our American Way of Life and United States Constitution, who has for years been a strong supporter of the Christian Educational Association,—publisher of the Anti-Communism paper "COMMON SENSE", edited by Conde McGinley, Box 807, Union, New Jersey,—in a letter to another American patriot said:

"What is the answer? Financial support for "Common Sense" until it hurts. Common Sense cannot long continue on its present basis. It is arithmetically and physically impossible. If Common Sense closes up, all opposition to the conspirators will soon collapse. They will read the handwriting on the wall. In my opinion every Christian patriot should send Common Sense some money EVERY WEEK, even if it is only \$1.00 salvaged from cigarette money, soft drink money, liquor money, movies, and other unnecessary comforts and luxuries. Ten thousand such persons could turn the tide, and a hundred thousand such persons could make a grease-spot of the conspiracy in six months time. If Common Sense shuts its doors we might as well push in the chips and join the other side. If we do not do it willingly we will have to do it unwillingly very soon. Conde McGinley is a living saint in my opinion. Must he also be a martyr?

"For twenty years I have danced to the threat of civilization. I was laughed at by the shoes because what I explained to them and warned them against. Now I see **Common Sense** the only anchor to windward which can prevent the wrecked society on the rocks of a Christless civilization. With the financial support to tell the basic facts to millions **Common Sense** can be the Paul Revere of this age. The Christian population is being so brainwashed that they will commit cultural hari-kari in their ignorance. It would be comic if it were not so tragic. If Christians gave 10% of the time and money they devote to professional sports the problem facing us would disappear like snow at the Equator. As it looks to me now, we are trying to slay a dinosaur with a fly-swatter. We can only exhaust ourselves doing that. We cannot slay the dinosaur. Three Steps To Mongrelization

A BLUEPRINT FOR THE DESTRUCTION OF OUR CHRISTIAN-AMERICAN CIVILIZATION

MIX THE SCHOOLS

Every race agitator and every professional race mixing organization knows that the first step toward racial mongrelization is the "integrated" school. They know that if the growing child can be exposed to an inter-racial atmosphere early enough in life, and can be conditioned in a Negroidal environment from kindergarten on, it will never develop racial pride or racial self respect.

Accordingly, the integrationists are seeking to transform the educational process into an instrument of mass mongrelization; they are fanatically determined to mix Negroes and whites in our public schools at all costs. In Little Rock they tried to do it with bayonets. In New York City they are using school-buses to import Negroes into all-white schools. In other areas they are utilizing court injunctions, coercion and propaganda to gain their ends. Their immediate goal is the integration of our schools; their ultimate objective is the bastardization of the white race . . .

TEACH THEM "TOLERANCE"

The second important step toward total mongrelization is the indoctrination of our white youth with "tolerance" propaganda. This means that at all times the maturing child must be impressed with the notion that all races are equal, and that "science" has never proven one race to be superior to another. At no time is criticism of the Negro race to be tolerated, but is to be instantly branded as a show of racial "prejudice." At the same time the Negro must always be portrayed as a victim of white "bigotry." A constant repetition of the latter theme serves a double purpose: it arouses Negroes to a fever pitch of racial militancy and aggressiveness, and it instills a sense of guilt in the white Christian child. Thus by inciting Negroes to a hypersensitive awareness of race, and by destroying or watering down the very concept of race among whites, "tolerance" propaganda serves as a double edged weapon in the hands of the integrationists. That is why they are always so anxious to teach racial "tolerance" in our schools . . .

INTEGRATE THE CHURCHES

The third major step toward the universal mongrelization and destruction of our white Christian-American heritage is the integration of the churches—a project dear to the heart of a great many of our social gospel clergymen. In many ways the NAACP crowd regard church integration as their most important goal, for it breaks down the moral barriers against miscegenation in the same way that school integration breaks down the intellectual barriers. They know, to begin with, that the mere presence of Negroes in white churches will eventually result in interracial marriages—all the more so if children are warned repeatedly from the pulpit that racial "discrimination" is a cardinal sin, and "un-Christian." In short, if the child is taught in church and in Sunday school that all the races are "children of God," and that race mixing is a high Christian virtue, it is unreasonable to expect that interracial attachments will not result. Once the churches have been transformed into an instrument for popularizing and encouraging racial mongrelization, there is little hope of preserving our civilization . . .

THESE ARE THE PRODUCTS OF INTEGRATION...

This girl, on honeymoon with her Negro husband, will make her parents proud someday—with mulatto grandchildren.

These white girls, all of whom have married Negroes, have obviously taken racial "tolerance" seriously—as they were taught to do.

Experience has already shown that there is no such thing as just a little integration. Negroes cannot be integrated in the classroom, but segregated at the school party; they cannot be treated as "equals" in the school lunch room, but as inferiors at the junior prom. It's all or nothing; the line cannot be drawn half-way . . .

These are the products of integration—the inevitable consequence of throwing Negroes and whites into the same schools, churches and social environment. Once integration is achieved on a mass scale, mongrelization on a mass scale can be expected to follow.

JEWS MASS POISON AMERICAN CHILDREN!

by Eustace Mullins

One of the most shocking and sadistic episodes in the history of the world is now being carried out in the United States by Jewish mass poisoners of children! Jonas Salk; Yiddish inventor of a so-called polio vaccine, is directing the inoculation of millions of American children with this sinister concoction of *live* polio germs. All that is known is that it CAUSES polio in an alarming percentage of children injected with it, while its effectiveness in preventing polio is a myth of Jewish propaganda.

Nevertheless, Jew Salk is being hailed as a saviour of mankind by the Jew-controlled press, and Ike Eisenhower calls him to the White House to receive a substantial award at the very moment that American children are dying after being injected with this so-called vaccine, which is only a culture of live germs raised especially for this sinister purpose!

American parents dutifully line up their innocent and helpless children to receive this poison, which will cost them a great deal when they reckon the cost of nursing their offspring through a deadly bout of polio. Meanwhile, commentator Paul Harvey warns his radio audience of millions of listeners that he is NOT going to have his little boy injected with this poison. As the number of children poisoned by the warped minds of the Jews continues to grow, a wave of excitement sweeps America. What is going on? the parents wail, as their little ones, injected with the vaccine, sicken and die from polio. They do not understand the Jewish problem. Every Jewish poison is introduced with fanfare and claims that it is a great gift to mankind. Thus it was with the atom Hell Bomb and every other instrument of the Devil perfected on Earth by the criminally-insane minds of the Afro-Asiatic Christ-hating Jews.

As one commentator after another warns over the radio that the Jewish Salk vaccine contains live polio germs which are killing our children, the nation's press refuses to carry these warnings, preferring to see children die rather than criticize the sacred Jew vaccine. Instead, the press prints testimonial after testimonial in FAVOR

of the Jew vaccine from the filthy immoral rats in the U.S. Public Health Service in Washington, which is nothing but a publicity bureau for Jewish poisons such as fluorine in water. How can they be so heartless as to go on day after day urging American citizens to poison their children with the Jewish vaccine?

The answer lies in the multi-million dollar charity racket known as the March of Dimes, which kept the late demented 'cripple F. D. Roosevelt in clover most of his life. Taken over by his law partner, the sinister Basil O'Connor, after the strange death of Roosevelt in Warm Springs, Georgia while he was counting the 1945 collections from the March of Dimes, this racket continued to get millions of dollars from the American people each year. Its books remained closed as it shielded its financial operations in mystery, behind the protection of the Federal Government! Every community in America has been shaken down for many thousands of dollars in methods just short of extortion, with the official approval of the Government, which often has acted as collection agency for Roosevelt's racketeers!

And how are we being repaid for these millions which we gave to the Roosevelt coffers? By the mass poisoning of our children with live polio germs? No wonder the state of California and other states have banned the poisoning of children with the deadly Jew Salk vaccine! If we look at history, we discover that the Jews have been attacked many times for poisoning and murdering children, but seldom have they found a method so clever and diabolical as the Salk vaccine. It is not too late to save our children from this latest atrocity of the Jews!

The polio rate has risen alarmingly above the number of cases last year, when we had no Jew vaccine. More important, what are the delayed effects of the Jew poison vaccine which we are shooting into the bodies of our little children? Perhaps many thousands of these helpless tots will not come down with the dread disease for months after the deadly germs have been placed in their systems. It is the most inhuman scheme for destroying the youth of America which could have been devised, and only a diabolical Yiddish brain could have conceived of it.

BRITANNIA RULES THE DUNG-HEAP

The symbolic picture below tells the story and does it much more effectively than we can with mere words. Here you see the extremes to which the once-proud British will go to attempt to retain as much as possible of their colonial loot.

Duchess of Kent and Friend celebrating the creation of Ghana.

The grasping, gasping British imperialists are elated. They believe that they have stumbled on to a way to hang on to their overseas investments without the use of the British Navy and Marines—which no longer exist as a means of forcing acceptance of British culture.

"It is quite simple, old man," they might say. "Merely give the blighters 'dominion status' and the simple savages will be so overwhelmed with pride at being called Englishmen that they will stick by us. Now of course if a few thousands of them each year wish to immigrate into England there's nothing to hold them back but just ignore it, old fellow! Good busi-

ness, you know, requires that a man overlook a detail now and then and after all what's so important about preserving the Anglo-Saxon race anyway? Be realistic, man."

Yes, Duchess of Kent, be realistic. Dance on and on with your grinning partner. It may be a bit unpleasant at first but you'll get used to it. Other White women have. And as long as your type cares more for money than for the future many others will, too.

IRONY

Could Cecil Rhodes and Karl Marx be raised from their respective graves in order to view the modern world, both would be appalled by the state of things.

Cecil Rhodes was a British Christian capitalist-imperialist-nationalist-White supremacist. Karl Marx was a German Jewish internationalist-Communist-equalist-anti-imperialist. Each devoted his life to bring forth his ideal world order.

Rhodes wanted the world united under the King of England in an heirarchical social and economic pattern. Marx wanted the world united through Communist revolution and he foresaw the wiping out of class and race distinctions through this process.

But the paradox is that in every country where the international Communist conspiracy has triumphed the outcome has been the emergence of a perverted nationalism! This, the hard-shell Marxists never foresaw and they and the liberals still find it hard to swallow the bitter pill. Communism has miserably failed to bring about its international world order.

But the world of Cecil Rhodes, too, has failed to materialize. Moreover, here is the most startling paradox of all. For international capitalism and imperialism a la Rhodes and Rockefeller is swiftly bringing about the internationalism and equalism of Karl Marx!

Although Communism has failed to break down natural national and racial barriers international capitalism is doing so!

While the Right cusses out the Reds for trying—and failing—to set up an international world order Wall Street quietly goes about the profitable business of doing just that!

Yes, if Cecil Rhodes and Karl Marx could return for a while they would depart again sadder and wiser men. But we rather suspect that Marx would feel that he was getting the best of the bargain at that.

We do too.

THE REALITY OF RACE

By E. L. ANDERSON, Ph.D.
(Box 67, Sausalito, Calif.)

(Here is the special report on the race issue—North, South and worldwide, promised to RIGHT readers last issue.)

Although most people would rather not do so the issue of Race must be faced because it exists. Liberals and Communists have so exploited the subject that more and more Rightists are finding it necessary to acquaint themselves with the facts. This is unfortunate for the liberals because investigation shows that the liberal position—that of "integration"—is not only Constitutionally and Biblically indefensible but is also scientifically, physiologically, socially and morally wrong, as well.

In a larger sense the issue of Race is important because of the rise of the colored world which is making intelligent persons realize that many of the so-called "extremists" and "crackpots" have been right. The Issue is seen as nothing less than the very survival of the White man and his creations. Put another way The Issue is *Colored Supremacy—Yes or No?* In the words of James Burnham, writing in *National Review*, "The simple statistics of world population prove that if the Western mind submits to the egalitarian doctrine of Liberalism and Socialism, then the outcome is mathematically inevitable."

In *National Republic*, Blanche Leonard writes:

The greatest danger to civilization today is that the dark races, untouched by Christianity and the highest ideals which have emerged in the thought of Western man, may, through the weapons we have developed, and the sweep of Communism, engulf us, and thus put out the torch of enlightenment.

THE REALITY OF RACE

(Continued from page one)

The Asian Student, a moderately-toned paper for Asiatics in America, puts it simply: "The Western white man was able for many generations to have his way in the world. Now he cannot have his way any longer."

Only a sick mind (a liberal mind) will choose to go down without fighting.

BIOLOGICAL ASPECT

Many men such as Herbert Ravenal Sass, David Lawrence and even William Faulkner have pointed out that the real objection to "integration" is the fear of intermarriage and the elimination for all time of the White race—which has created the civilization and culture of the West. Six thousand years of history show that mongrelization is inevitable whenever the White and Black races have come into contact. Mongrelization has happened in Egypt, Ethiopia, India, Portugal, Sicily, Brazil and other garden spots. Each of these countries once

had a higher degree of civilization than they have now. Their downfall began when they enslaved the negro and ultimately—in spite of strictest segregation—mixed and destroyed their White blood. The result is ignorance, poverty, fetishism, superstition, slavery, dictatorship and immorality. In spite of liberal propaganda this is not a new problem but the oldest of all great social problems—and one which has never been solved.

Most of the books on this vitally-important subject have been suppressed by the Anti-Defamation League gestapo and related subversive groups. But the growing interest in the subject has brought forth some of the old classics and new ones as well. Needless to add these are not available from your corner bookstore. See the *Books That Are Right* section.

THE DOLLAR COST

Liberals and Communists have long brayed that the "cost of segregation" is high, arguing that equal but separate facilities for the races results in a much greater public expenditure. Actually, the opposite is true. For instance, the education system in Washington—Ike's "showcase of integration"—has deteriorated to the extent that expensive new programs are necessary to keep standards up. Special classes, high teacher turnover, police protection, repair of vandalism—these are a few of the added costs brought on. As for the *human* costs—both moral and psychological—which are paid by the helpless White children—these are of course incalculable. See the Davis sub-committee report on the Washington school mess.

"Integration" in the Army was possible because of the atrocious combat records of all-negro units in both world wars. The record of the 92nd Division in Italy was typical. The Communist Secretary of Defense, Anna Rosenberg, promoted integration to lower the morale and fighter efficiency of Army troops in Korea. However, the Pentagon refuses to release the facts and figures which would illustrate this. A \$100,000 study of integration in the Army was made by Johns Hopkins University but Army brass-hats suppress this as "useless and derogatory to both races." Army phonies have also suppressed for years results of mental tests given to large numbers of draftees which conclusively prove negro inferiority.

Every city with a negro minority spends huge amounts for social services for them. In San Francisco 80% of the aid to dependent children goes to negroes though the population ratio is closer to 10%. Close to 25% of all negro births in the U.S.A. are illegitimate. White taxpayers pay for this.

In Mississippi the African population is close to 50% yet the Whites pay about 97% of the taxes. In New York state 6.2% of the population is colored yet 40.1% of the prison population is colored. This is typical for all states.

OVERSEAS

Great Britain is in the process of transferring great numbers of her Anglo-Saxon population overseas and replacing it with negroes. Well over 1% of the British population has fled the Socialist Ill-fare State since the end of the war. On the other hand about 100,000 coloreds from Jamaica and India have arrived and more arrive each day. No doubt many from Ghana will soon be arriving as Britain continues the process of becoming a limited edition of One-world through the crazy "Commonwealth" idea. Eventually the outcome can only be the negroidization of the British Isles.

As a result of this happy opportunity British subversives have formed the British Association for the Advancement of Colored People (BAACP) and hope to do with it what their comrades have done with the NAACP in America.

In logical self-defense one Joseph Cleveland has formed a London unit of the Ku Klux Klan. Since the progressive negroidization of the British Isles is being promoted by the government, the press and international riff-raff like UNESCO, the odds against the success of scattered resistance groups are tremendous.

There are negroes in every European country. Because of their small (but increasing) numbers they find it easy to mingle with and marry Europeans, who by and large have no knowledge of racial differences. Nordic Holland for instance has at least 2,000 negroes, with more arriving.

THE WEIGHT OF NUMBERS

On a world scale the important thing is the relative weight of numbers. For a good outline of this problem send for a free copy of *The Population Bomb* which is published by the Hugh Moore Fund, Box 1049, New York 17. In typical liberal confusion this booklet first gives many good facts and figures about the Yellow and Black Peril and then draws the wrong conclusions.

Rightist thinker and theorist Lawrence Dennis (Becket, Mass.) has pointed out in his weekly letter that the more we try to help the colored world through aid the worse we make the problem.

Three fine monthly publications devoted to the racial and states' rights angle are *The Virginian* (310 53rd St., Newport News, Va.), *The White Sentinel* (Box 156, St. Louis 3), and *The Citizens' Council* (605 Plaza Bldg., Jackson, Miss.)

NIXON SUGGESTS SURRENDER TO UN WORLD COURT

Not since the creation of the UN Charter itself has there been such a brazen proposal for the United States to abjectly surrender another crucial area of American national sovereignty as that proposed by Richard Nixon in his foreign policy "trial balloon" speech of April 13.

Wise men, jealously guarding American national independence, kept the U.S.A. out of the League of Nations, knowing that the "oil" of a nation whose government is based on the concept that the rights of men are the gift of the Creator can never mix with the "water" of the rest of the globe's nations whose governments are based on the concept the rights of men are the gift of other men, Kings, states or governments.

To allay fears that the "UN" would intrude its Communist and other alien ideas into the domestic affairs of the U.S.A., in 1946 the Senate passed the Connally Amendment which decreed that the United States would decide for itself whether the political UN International Court of Justice is to hear any case involving the United States.

In other words, to quote an editorial in "The Tablet," "the Senate upheld our Nation's sovereignty and asserted our independence was not to be surrendered to any world court."

MUST ACCEPT

It is this vital legal protection of American best interests, both domestic and international, that Nixon demands be "modified" so that America may lay herself prone before a political UN "court" on which, in 1958, sat Communists from the USSR, Poland and Yugoslavia. We would have to accept without question

or chance of refusal every interpretation this Red-infested political UN "court" makes regarding all "agreements" and treaties the USA signs with the Kremlin Communists at all "summits," international conferences, etc.!

Nixon carefully administered the public tranquilizer that "domestic" matters must remain within jurisdiction of our own courts and that only matters "essentially international in character" should be referred to the UN Red-infested court.

STATE DEPT. LINE

BUT. For years, with increasing boldness since the defeat of the Bricker Amendment, the State Dept. has followed a semi-official or even official policy of declaring in its documents that the UN, Unesco and other such "charters" make it "very clear that while LEGITIMATE DOMESTIC CONCERNS are protected" from UN interference, those same "charters" make it "very clear that the maintenance of peace and security are not a matter of domestic jurisdiction!"

Alarmingly, Nixon centered his argument for this incredible surrender (for "modify" will become "repeal") on economic agreements with the Kremlin.

Nixon argued that once the Red Congenital Liars and Treaty-Breakers "understand the rules and are willing to have them fairly enforced by an impartial umpire" then the USA could say to the Red Beasts: "Let the stronger system win (the 'peaceful competition'), knowing that both systems would be moving in a direction of a world of peace, with increasing material prosperity serving as a foundation for a flowering of the human spirit!"

God Save the United States!

DESCRIBED SELF
'LEFT OF CENTER'

Guess who's the newest Herter-appointed, April 1, member of the U. S. National Commission for Unesco, that tax-fed body of 100 key Unesco propagandists serving as direct liaison between Red-infested Unesco House in Paris and the American people and their children?

It's Senator Thurston Ballard Morton, who last December described his political latitude as "two degrees left of center." On April 11, 1959, Morton modified this self-description to "middle-of-the-road," the better to fit his other new position as National Chairman of the Republican Party!

Morton has long served Unesco, as American Legion, VFW members and others living in Anaheim, California, have painful reason to recall. It was the Spring of 1953 that the Long Arm of the State Dept. reached clear across America to seriously interfere in a LOCAL school battle over Unesco, via then an Assistant Secretary of State, Thurston Morton.

True to the "pattern" of all Unesco fights, the Pro-Unesco high school principal involved appealed for "help" via Senator Kuchel. Morton responded April 27, 1953 stating it was "government policy" to support Unesco, and adding:

"You (Kuchel) might wish to invite your constituent to give you information concerning the type of criticism being directed toward him for defending Unesco and the Dept. of State will be pleased to supply any information possible that you believe will be of use to your constituent."

In effect, Morton was requesting a "dossier" on the anti-Unesco fighters who were chiefly American Legion-VFW members acting backed by national resolutions of their organizations!

A Fullerton woman (see "The Register," Santa Ana, 5-8-53) phoned Morton and reported not only his "lack-of-knowledge about Unesco and its materials," but that he had refused to answer if the State Dept.'s endorsement of Unesco included endorsement of the Red Frontiers writing for it.

However Morton did volunteer: "Russia and some other members of the UN are not in Unesco. Eventually everyone will be in and we will have peace!"

(The USSR joined in 1954. Today ten Red Nations belong. Ain't "peace" wonderful?)

U.S. News and World Report, 3-12-54, reported Morton as criticizing Senator McCarthy's "methods" in fighting suspected Reds, and more than hinted that Morton's placement in the State Dept. after Red-fighter Scott McLeod's powers were curtailed, bore the earmarks of a quick double-play against McCarthy.

Morton was part of the State Dept.'s vicious anti-Bricker Amendment campaign. The "Saturday Evening Post" 1-25-54 called attention to Morton's "queer" arguments that: 1. Congress could nullify any treaty that overrode domestic law, and if Congress failed to act; 2. the people could vote the rascals OUT. The "Post" reminded Morton of "executive agreements" like Yalta, and how the people had already voted the responsible rascals OUT, but still nothing had been done under the GOP to correct them.

Morton's service to the political and emotional internationalists who formed the "Committee for Collective Security" to fight the Amendment has continued. Feb. 28, 1958 Morton inserted into the Congressional Record the newest pitch of this outfit now begging for a "declaration of political INTERdependence" among NATO, SEATO, etc., signers, which, translated, means a pitch for world government.

Senator McCarran exposed this "Committee's" world government aims and added: "The high proportion of famous left-wingers and Anti-anti-Communists of this Committee is notable."

There is more on Morton, like pitching for Butter trade with the USSR and his five-out-of-12 proAda votes last year. So here we go again, Boys — trying to make the GOP Elephant bray like the Democrat Donkey!

JEWISH 'MANIFESTO' PROCLAMATION OF 1860

(Addressed to Jews of the World)

James Rothschild, a Jew, son of Amschel Mayer, the first to call himself "Rothschild"—(German for Red Shield)—misruled as "King of the Jews" and Financial King of the World, from 1836 to 1868. He was head of the Paris Branch of the House of Rothschild, International Gold-Standard Bankers, dominating five of the great capitals of Europe; (and still do—including U.S.A.,—and our Federal Reserve Banking System).

A few years after THE COMMUNIST MANIFESTO of Karl Marx, Jew, James Rothschild issued his MANIFESTO-PROCLAMATION of about 1860, directed to all the Jews of the Universe, reproduced in "The Morning Post" of London, on Sept. 6, 1920, and still in effect in 1958:

"MANIFESTO"

By James Rothschild, "King of the Jews"

"The union which we desire to found will not be a French, English, Irish or German union, but **a Jewish one, a Universal one!** Other peoples and races, are divided into nationalities; we alone have no co-citizens, but exclusively co-religionaries.

"A Jew will under **no circumstances become the friend of a Christian or a Moslem** before the moment arrives, when the light of the Jewish faith, **the only religion of reason, will shine all over the world!** Scattered amongst other nations, we **desire primarily to be and remain immutably Jews.** Our nationality is the religion of our fathers and to recognize no other nationality. We are living in foreign lands and we cannot trouble about the ambitions of countries entirely alien to us.

"**The Jewish teaching must cover the whole earth!** No matter where fate should lead—though scattered all over the earth, you must always consider yourselves members of a chosen race. If you realize that the faith of your forefathers is your only patriotism, — if you recognize that, notwithstanding the nationalities you have embraced, you always remain and everywhere form **one and only one nation,**—if you believe that **Jewry is one and only one religious and political truth,**—if you are convinced of this, you Jews of the Universe, then come and give ear to our appeal and prove your consent.

"Our cause is great and holy, and **its success is guaranteed.**

"Catholicism, our immemorial enemy, is lying in the dust, mortally wounded in the head. **The net which Jewry is throwing over the globe of the earth** is widening and spreading daily. (Ed.—He meant Protestant Christianity, also).

"The time is near when Jerusalem will become the house of prayer for all nations and peoples, and the banner of **Jewish mono-deity will be unfurled and hoisted on the most distant shores.**

"Let us avail ourselves of all circumstances. **Our might is immense**—learn to adopt this might for our cause.

"What have you to be afraid of?

"The day is not distant when all the riches and treasures of the earth will become the property of the Children of Israel."

Please let this Manifesto go around the world. Anyone who wants to reprint this Manifesto may.

NED HARMAN, Executive Secretary, P. O. Box 441, Wetumpka, Alabama.

We shall have World Government, whether or not we like it. The only question is whether World Government will be achieved by conquest or consent."

Statement made before the United States Senate on February 17, 1950, by James Paul Warburg ("Angel" to and active in the United World Federalists), son of Paul Moritz Warburg, nephew of Felix Warburg and of Jacob Schiff both of Kuhn, Loeb & Co. which poured millions into the Russian Revolution through James' brother Max, banker to the German government. —See the Sission Report.

"The International government of the UNITED NATIONS, stripped of its legal trimming, then, is really the INTERNATIONAL GOVERNMENT of the UNITED STATES and the SOVIET UNION acting in unison."

Search your own heart and mind and give yourself the answers to the above questions in the glowing light of **truth**. Gird yourself with fearlessness and indomitable courage, then, if to be a Christian patriotic American causes you to be stigmatized by the name "antisemite", be justly proud of this title which is not a term of odium but has now become the trade mark of fearless Christian American Patriotism opposed to Communist Internationalism.

If you can ignore the aspersions cast upon your character, your reputation in the columns of a controlled Press, if you calmly defy the Whispering drives started against you, if you can withstand persecution, smear, false accusations, even jail and torture such as the 33 Christian Patriots had to endure in the "SEDITION Case" of 1942 because they were accused of antisemitism, then be proud of being also called antisemites. **This term applied to you is evidence that you are working loyally and faithfully in the service of your Christian Faith and Country.**

CHRISTIAN EDUCATIONAL ASSOCIATION

"Common Sense" is a bimonthly tabloid size newspaper published by the Christian Educational Association, 530 Chestnut St., Union, N. J. The last statement of ownership appeared in the 10/1/59 issue and listed the owner and publisher as the Christian Educational Association and editor as Conde Mc Ginley. Each issue of the publication contains a box which indicates that Mc Ginley is the Editor and that it is published by the Christian Educational Association.

The Committee on Un-American Activities of the United States House of Representatives on 12/17/54 published a "Preliminary Report on Neo-Fascist and Hate Groups" in which their growth and objectives are discussed at length. This report indicates that "Common Sense" has a fluctuating circulation of between 30,000 and 100,000 copies an issue. The report described the paper as a "hate sheet" vehicle publishing "some of the most vitriolic hate propaganda ever to come to the attention of the Committee".

According to the report, "Common Sense" depicts Communism as Judaism and devotes its pages almost entirely to attacks on the Jewish, and to a lesser extent the Negro minorities in the United States. Sympathy for the former Nazi Government in Germany is also shown in the paper.

Dear [redacted]

I have been a reader of yours for many years and I feel that there is no one who could get to the bottom of a rotten situation faster than you can.

I found the enclosed rag in a telephone directory in the B.M.T. subway on the 34th Street station. It is an inflammatory conglomeration of the type of lies used by radical organizations to foster hate and disunity. It must have been written by a demented mind seeking equally irrational followers.

I hope you will utilize all the power of the fourth estate, which you usually do so well, to find out who is behind this publication and expose it for the fraud that it is.

I look forward to reading the results of your effort in this matter in your column of a future date.

Sincerely yours,

In June of this year Conde McGinley, editor of the notorious anti-Semitic newspaper, "Common Sense," sent letters to the Director, to you, and to other Bureau officials in which he enclosed a copy of "Know Your Enemy" by Robert H. Williams which contained the usual diatribe against the Jewish race. "Common Sense" and the Christian Educational Association are well known to the Bureau, having been the subject of an SAC Letter in 1954, and the organization has been the subject of a racial matters investigation. Williams' pamphlet also had been previously called to the Bureau's attention.

[redacted] prior to leaving the managing editorship of the Baltimore "Catholic Review," wrote a comprehensive article on "Common Sense" and Conde McGinley for the purpose of keeping the record straight since McGinley, claiming to be a Catholic, had sent his publication to numerous Catholic sources seeking support. [redacted] in his article, clearly establishes the hate-sheet nature of McGinley's publication. In a personal note I have received from [redacted] this week he expressed the thought that the Director might be interested in seeing his article, a copy of which is enclosed. I assured him that it would be called to the Director's attention.

[redacted] is on the Bureau's Special Correspondents' List. ✓ Correspondent enclosed several pamphlets issued by the Cinema Educational Guild, Incorporated, Post Office Box 46205, Cole Branch, Hollywood 46, California, which have been given extremely wide distribution by that organization. She also enclosed the May 1, 1960, issue of "Common Sense."

"Common Sense" is a notorious, anti-Semitic hate sheet published by the Christian Educational Association, Union, New Jersey. The Christian Educational Association has in the past been the subject of a Racial Matters investigation for the purpose of determining whether the organization advocated, condoned or incited to violence for the purpose of denying others their Constitutional rights. (105-9621)

The Cinema Educational Guild, whose Director is Myron C. Fagan, is allegedly an anticommunist group which has been responsible for the distribution of anticommunist, anti-Negro and anti-Semitic pamphlets. Fagan in the past has attempted to use the Director's name in furtherance of his programs and it has been necessary on several occasions to contact him and request that he refrain from mentioning the FBI in any way. (62-87267)

NOTE ON YELLOW:

Correspondent advises that during the past several months she has written a number of letters to the editors of various papers and as a result has received a quantity of material. The enclosures were some of the material she has received. She states that although she hates communism, she also hates anti-Semitism. Dear Mr. Hoover,

During the last few months I have written a number of letter to the Editor's of our various newspapers. These letters were pro-Kennedy and I expected and received letters in return, but much of the material was not just anti-Catholic it was anti-American.

I am sending some of this material to you; I would be very thankful for your comments.

I believe I am a good American, I love this country and I hate communism, but I also hate anti-Semitism or any other stupid anti movements. I had never realized just how much stupid hate there was in this world until now.

Perhaps I am wrong about this material, I don't think so - will you please help me Mr. Hoover?

'Common Sense' More Than Nonsense--Editor

By GERARD E. SHERRY

"Common Sense," a publication which is edited by a Catholic, seeks Catholic support, and proclaims itself "the Nation's anti-Communist paper," is considered by many to be one of the Nation's leading "hate sheets."

Why?

A study of the paper suggests the answer. Its pages are filled with violent propaganda against Jews and Negroes. Even leading Catholic figures—including some bishops—do not escape the "Common Sense" lash.

THE PAPER first came into being in June 1947 and is edited by Conde J. McGinley, who calls himself a "practical Catholic." With his son, C. J. McGinley, Jr. he directs the Christian Educational Association, the medium through which the paper is published.

McGinley, Sr., 69, is a native of Oklahoma, where, he says, his family assisted in the establishment of Catholic missions among the Indians.

Headquarters of "Common Sense" and the CEA is Union, N. J. A fourteen-room house is the propaganda outlet.

In its early days, the paper gave no indication of its subsequent hate drive. But, in 1948, "Common Sense" expounded pro-Nazi statements which gave birth to the paper's anti-Semitic nature.

THAT year "Common Sense" lauded Robert H. Best, American newsman who was convicted of treason and sentenced to life imprisonment for broadcasting Nazi propaganda during World War II.

The paper described Best as a "patriot," a "Paul Revere," and a "true American."

Another example of the pro-Nazi leanings of "Common Sense" is contained in the following extract from the issue of October 15, 1953:

"Now that the matchless German army is destroyed, Germany laid in ruins, and Europe helpless, Eisenhower asks the German people to help him prepare for another war purporting to be a war against Communism, while he protects and coddles in Washington the same people who prevented Germany from wiping out Communism. This is to be a war against the Russian people—not Communism."

SUCH a comment, from an alleged "anti-Communist" and "patriotic" paper, curiously aped the propaganda line of the Moscow conspiracy.

The McGinley thesis is that an "invisible government" of Jews controls the national Executive, Legislative and Judiciary Departments, and that these Jews are aiming for a Marxist world.

In his attack McGinley draws no distinction between political parties. Hence, top Eisenhower administration officials, Army generals and leading businessmen who are Jews are attacked as being part of the Communist plot. For the previous Democratic Administration, McGinley applied the same "rule of thumb."

SAMPLE headlines which have appeared in "Common Sense" are: "Kennedy's Marxist Record"; "Martin Luther King, Jr., Marxist Tool and Race Agitator"; "Jews Stir Up Negroes"; "Eisenhower Prepares U. S. For World Government"; "Did United States Back Wrong Side in World War II?"; "Are Zionists Taking Control of American Legion?"; "Ralph Bunche—Communist or Agitator?"

The violent nature of this hate propaganda is illustrated in two extracts from "Common

Sense." On June 15th of this year it said that an invisible government promotes Senator John F. Kennedy and will rule him, adding:

"The Anti-Defamation League-American Jewish Committee-American Jewish Congress organized bloc--so beloved by Kennedy--will be given carte blanche by Kennedy so that they can proceed without the slightest hindrance in their plan to Judaize America and to debauch the youth of our Nation down to their own level of degeneracy. Kennedy will not be able to stop them; he is in too deep with them now."

In January of this year "Common Sense" said:

"Usually there is a right and a wrong way to do something.

"TO deface synagogue doors with paint is a useless, foolish thing. It is the wrong way. In some localities it is just what the Jews want and it is not unlikely that they themselves have done this. They have done it before. Certain type Jews want and promote persecution. Every person who reads this has heard the persecution cry since they were a child.

"If organized Jews are not doing enough to warrant persecution, they will promote it. It is magic in opening check-books of the large Jewish merchants. Otherwise hundreds of Zionists with the Anti-Defamation League would have to work for a living."

The "Common Sense" attack on Catholics who disagree with its policies is just as vicious.

Although McGinley, Sr. has told me he has the support of many priests as well as thousands of Catholic lay men and women, he appears to have little respect for the hierarchy.

THE October 15, 1954 issue contained a notation that Cardinal (then Archbishop) Richard J. Cushing of Boston had given \$1,000 to Hadassah, a national Jewish women's group.

The item was under the column masthead of "Red Highlights," and failed to mention that the Boston prelate's gift was for charitable purposes in much the same manner that Jewish organizations had given to the Boston Catholic Charities.

Another prelate, Archbishop (then Bishop) Bernard J. Sheil, Auxiliary of Chicago, was attacked in the "Red Highlights" column several years ago. It was suggested that he was no patriot because he denounced Senator Joseph R. McCarthy (R., Wis.).

Another issue also attacked Archbishop Sheil for what the writer termed "drooling over the Jews."

ON December 17, 1954, a "Preliminary Report on Neo-Fascist and Hate Groups" was prepared and released by the Committee on Un-American Activities, U. S. House of Representatives, Washington, D. C.

It has a mine of information on the activities of "Common Sense" and the Christian Educational Association. McGinley, Sr. points out, however, that the Report is a "smear job" produced "by a Jew, then on the committee staff." He also says that the report was not approved by the committee. In this he has the backing of a then committee member and now its chairman, Representative Francis E. Walter of Pennsylvania.

Mr. Walter wrote a letter to a Mr. D. P. Armstrong of 834 S.W. Thirteenth Court, Miami 35, Florida, on April 20th of this year. Representative Walter said:

"... The report to which you refer, entitled 'Preliminary Report on Neo-Fascist and Hate Groups', which carries the date of December 17, 1954, is one which was not finally approved by the members of this Committee on Un-American Activities.

"THIS is the reason why, when inquiry is made in connection with 'Common Sense', that the response must be that it has not been cited by any official federal agency, nor has it been the subject of hearings. I hope that this will satisfactorily explain the situation to you ..."

Despite the McGinley protestation in relation to this report, it should be pointed out that (1) The Committee never officially withdrew the report—I got a copy from the local library; (2) Rep. Walter has never publicly repudiated the facts enumerated in the report nor, to the best of my knowledge, has any other committee member. McGinley's vigorous denial of the findings of the report is only to be expected.

(Continued)

One ~~may~~ well ask why, in view of the allegations in the report, the House Un-American Activities Committee has not investigated "Common Sense" further. I recall writing a letter to Representative Walter on the subject several years ago. I didn't get even the courtesy of a reply. Maybe he never got the letter. The question is: does the committee now believe that as long as a group is anti-Communist it can commit excesses against other

American citizens with immunity?

The paper's hate campaign against Negroes is equally forceful, even if less space is devoted to it.

UNDER constant attack is the National Association for the Advancement of Colored People. The January 1, 1959 front page banner headline said: "Marxist Control NAACP Agitates — Divides Negroes!" The same issue charged that "The NAACP and the Reds follow the same policy of demanding forthwith solutions of problems that have their roots in the shades of antiquity. All the combined efforts of religions still have to reckon with the will of men. Those persons who are bogged in the swamps of leftist ideology are loathe to admit this fact."

In April of this year a real hatchet job was done on the Rev. Martin Luther King, a Southern Negro leader. "Common Sense" also tried to prove that Marxists were behind the race riots and that Jews were the real controllers of the NAACP.

Every issue of "Common Sense" has at least one major anti-Semitic article. Also, in a recent issue this year, the paper said that fascist dictator of the Dominican Republic, Generalissimo Rafael Leonidas Trujillo Molina was the only friend this country had in the Caribbean.

How does "Common Sense" exist? Its finances are shrouded in mystery, although McGinley claims its funds are derived from readers.

AS OF October 1948, paid subscribers amounted to a monthly average of 7,072. This figure was 9,660 a year later, and by October 1950, the reported paid subscribers amounted to 21,255. Since that time no official circulation figures appear to have been published by the paper. McGinley tells me that its current circulation averages 250,000 an issue. I am told, by a reliable source, that a tremendous amount of give-aways are included in this figure.

McGinley claims he gave up a thriving business of four restaurants in New Jersey to fight Marxism, and has spent the last 14 years in the fight without salary or remuneration.

"Large numbers" "Left (Communist)"

However, the McGinleys don't starve. Apart from constant appeals to the "Common Sense" readership, there are a number of "angels" behind the group.

One such financial "angel" is Benjamin H. Freedman, a retired toilet goods manufacturer of New York City. He has admitted advancing large sums to the McGinleys for "Common Sense."

FREEDMAN also is prominent at some of the "Common Sense" meetings and has spoken as a "noted authority on Zionism." He also writes frequently for "Common Sense" on Jewish affairs.

Recently I spoke with McGinley and he denied that Freedman gives financial support to "Common Sense." However, according to testimony given by Freedman on December 12, 1950 before the Senate Armed Services Committee, he had spent up to that time \$15,000 on "Common Sense." He is still considered to be an "angel" of the organization.

Over the years "Common Sense" has published the writings of well-known "hate" mongers including anti-Semites and racists.

The Christian Educational Association also sells pamphlets written by some of its contributors including Robert H. Williams of Santa Anna, California, who has been advertised

as a possessor of a vast amount of intelligence information gained during World War II as a member of U. S. Army Intelligence. But, here again, there is deception.

ACCORDING to the preliminary report on Neo-Fascist and Hate Groups "Williams' intelligence duty comprised less than a year as an administrative officer for the intelligence section of a bomber

wing. In this position, he would have received no intelligence information dealing with the Communist conspiracy. His assignment to the military intelligence was merely in the Reserves, from which commission he was relieved by official action of the Army, effective December 21, 1950."

Other contributors to "Common Sense" include associates

of the ~~Nation~~ Renaissance Party, an avowedly fascist organization founded in 1949.

In addition, McGinley calls upon two well-known disseminators of anti-semitic literature from Chicago: Mrs. Elizabeth Dilling and Mrs. Lyril Clark Van Hyning.

What type of man is McGinley, Sr.

I FIRST saw him some years ago at a Holy Name meeting in the Paterson, New Jersey diocese. He was the featured speaker on the "menace of Communism."

There was quite a bit of showmanship about the whole affair. McGinley did not appear until the moment he was due to speak. He waited "off stage" in the back of the hall until one of his assistants had explained his cause.

Then, accompanied by the assistant, he walked to the speaker's table.

Before he spoke he drew from his pocket a crucifix and laid it on the table before him. He then engaged in a most violent attack on Jews, reminiscent of Adolf Hitler. He laid stress on his theme that the Communist conspiracy was "100 per cent Jewish."

AND only a handful of the many Catholic men present made any adverse comment on the anti-Semitic talk.

In a recent telephone conversation with McGinley, this writer found him most indignant over the "hate" label attached to his group. He said:

"'Common Sense' is called a hate sheet, still we hate only the anti-Christian and pro-Marxists who use the ridiculous scare word 'anti-semitism' against us.

"No one connected with 'Common Sense' hates anyone. We love Jesus Christ and our country sufficiently to prompt us to expose those who are plotting to destroy our government, regardless of whom, or how strongly they protest."

McGINLEY said he can prove to any House Committee that investigates his group that Jews, in every sphere of life, are operating for the benefit of Communism. He added:

"'Common Sense' is being attacked by the enemies of America. We are for America."

But the America that the McGinley organ pipes is hardly tenable.

His would-be dictatorial government is based on "exclusion" rather than "inclusion" and would girdle America as a selective outpost on the perimeter of a teeming universe.

McGINLEY'S retrogressive ideas on foreign policy are typical of his ilk, and his racial policies are those which two wars were fought to discard.

The horror of this modern tragedy is that the inquisition

is being conducted by a "practical" Catholic but one who is unable to delineate between "idea" and "ideal," between "reason" and "passion."

While Catholicism is not directly involved, a Catholic seemingly has assumed the role of a Jeremiah.

To equate hate and prejudice with religion and patriotism is certainly not in keeping with the function of a "practical" Catholic, nor is it consistent with the social or moral principles involved in Catholic Doctrine.

The "Common Sense" thesis is uncommonly clear, in fact, I believe it's un-American and un-Christian.

ANTI-SEMITISM IN SOVIET RUSSIA

IS COMMUNISM CLOSING IN ON US THRU CUBA?

GEORGE DEATHERAGE, Director
AMERICA FIRST
ANSWERS SENATOR DODD

Senator Thomas J. Dodd
Senate Office Bldg.
Washington, D. C.

Dear Sir:

Although I appreciate your forwarding me a copy of your speech on anti-Semitism, the Swastika epidemic and Communism as inserted in the Congressional Record of March 15th, I must confess that it is about as *as has ever appeared in the Record.*

In the first place you entirely overlook the historical record as to the Jewish responsibility for the Communist revolution in Russia—and of which their leadership for years has boasted. The detailed record of the intimate details of that historic event fill bookshelves of the libraries of the world—and the archives of governments.

One event, the fact that out of 416 Kommissars of the original revolutionary government of the Soviet . . . 376 were Jews, it is but a drop in the bucket of evidence establishing that it was Jewish brains and financing that created the reign of terror in which more than 30 million Christians died under the lash and by starvation.

NOW—you charge the Russians with a worse anti-Semitism than alleged against Germany under Hitler. You repeat the same falsehoods, the same propaganda myth—such as the death of 6,000,000 Jews under the Hitler regime—something not subjected to an iota of proof.

If I were you I would not be proud of your selection by the Jewish agencies to place your alleged speech in the Record. These agencies must have taken some time to decide on a Senator either too stupid or too ignorant as to accept that stuff as recorded facts.

As one reflects upon the Judeo-Communist reign of terror in Russia, one wonders where your tears are for the untold millions in Russia, those currently in Hungary and elsewhere, who have been murdered by the Jewish inspired revolutionaries; they also are Russians in a racial sense. Where are your groans and sobs for the millions of dead Christians?

It is true of course that the Jews do not now hold power in the Soviet Union, and the exodus from Russia and Europe during recent years is—because being deposed they now seek safety from reprisal. Could less be expected? Yet—Jews in Russia are not being terrorized as you state—not as yet . . . although that is a distinct possibility.

It is quite clear why the Judeo-Communist element have started to make an attempt to convince the American people that Jews are anti-Communist . . . and to cover up that they have been the leaders of the Marxist revolutions in every country in the world subjected to it. They wish to establish an alibi in case circumstances develop which will call them to account and may result in their mass liquidation. To place the idea in the minds of the uninformed

Jews would now have us forget they sparked the Russian Revolution in 1917, set up, financed and spread communism throughout the entire world.

that to be anti-Semitic is to be pro-Communist . . . as in the last war where they worked on the basis that if one were anti-Communist they must be pro-Nazi; working both ends against the middle.

What is behind this recent action of the Jewish elements to establish the Soviet Union as being more anti-Semitic than Nazi Germany?

1. In this world wide crisis there are three possible results. The Cold War will continue indefinitely; there will be a Hot War—a nuclear war . . . or the Western Powers, including the USA—will get together with the Soviet Union to combat the communism and terrorism of the Red Chinese.

2. It seems beyond the bounds of probability that the Cold War will keep on indefinitely in the face of the Red Chinese menace and the Soviet Union's fear of this menace to them. The trend of events in Washington is pointed towards reapproachment with the Soviet Union in the face of the greater Chinese menace.

In such a policy as the above, Judeo-Communists; fellow-travellers; left-wingers, misguided Liberals; left wing egg-head intelligentsia in the schools and churches; the race-mixers, political opportunists; leftwingers in government employ and otherwise . . . NOW all collaborators with the Soviet Union . . . will be sitting pretty. They to be Kommissars at the death of the Republic.

3. If the Cold War develops into a Hot War . . . then all those named in (2) above will be liquidated by the remaining populace. Survival will make it necessary to liquidate all collaborators—including Senators who get caught on the wrong side of the fence.

It does not take much imagination to realize what will happen in this country at the first bomb drop. Millions will die—and millions will flee in an attempt to survive. The jails, prisons, mental institutions will release criminals, the criminally insane. Loot, terror, rape and murder is the order of the day unless decent citizens liquidate them.

The mob now out for vengeance are

bound to liquidate any collaborator they can get their hands on. The least suspicion or possible enemy association will be evidence enough. Any thinking person can visualize this hysterical situation.

The "underground resistance" is born! The Freedom Fighters take to the field! There will be no quarter! The families of these men have been burned, fried and toasted. Blood has been spilled and blood they will have in return.

But—are all those named in (2) above to be considered as "collaborators? Are not many misguided Liberals? Remember, you were one of the men who made "guilt by association" legal. It was again made a part of the government's legal prosecution in the mass Senator trial during the last war. Certainly it will be all that is needed at the aftermath of the first nuclear bomb explosion in this country.

It can be assumed that all those currently collaborating with the Soviet Union under the guise of "Liberalism"; including the One Worlders—United Nations fanatics etc.—are not all dumb; that they understand the risks they are taking of being liquidated.

4. The above being the case . . . a Hot War is the last thing that they wish to see happen. The Jews must not permit it to happen if they can avoid it. In spite of the mass of the populace's direct knowledge of collaboration, the evidence of "guilt by association" is common knowledge by the majority of the population.

5. It is simple to see therefore that the Judeo-Communists are between two fires and, if possible . . . they must prepare a foundation for their alibi.

6. It seems quite clear that the current foreign relations policy is one of appeasement with the Soviet Union; a further co-existence ending in a reapproachment in the face of the nebulous threat of the Red Chinese Communists. If the Soviet Union is anti-Semitic—what then happens to the Jewish alibi?

Selling Out Korea? Who Are The Betrayers?

OUR STATE DEPARTMENT COOPERATES WITH REDS

By Merwin K. Hart, Pres.
National Economic Council

Republished from Economic Council
Letter No. 478

A distinguished American citizen had two sons killed in action in the Korean War. Both won high decorations, one the Congressional Medal of Honor.

These two were among some 35,000 young Americans (out of a total of 450,000 fighting) who laid down their lives in that War. For what?

The theory was that our men were fighting for liberty—the liberty of the Korean people. 500,000 South Koreans fought bravely and ably. But overall direction of this "Police Action" lay in the United Nations.

Only 45,000 men of all other member countries of the UN took part. This episode should teach us for all time that we cannot count on the UN. We, alone among the Western nations, are supporting a government-paid propaganda for the United Nations, which propaganda means propaganda against the United States as an independent country.

And it was the United Nations, if not Soviet Russia itself, that caused us to end the un-won war in 1953, leaving a divided Korea. So those 35,000 lives were thrown away!

One of our friends returned from Korea a few days ago, after many months there. Referring to the "student" riots, about which we hear so much, he gave this explanation. All students in Korea wear the same uniform. A lot of the riff-raff element and worse got themselves into this uniform; and it is these that started all the trouble—communist-inspired, of course. As further proof that the mobs were not actually students, they attempted to overthrow a statue of Douglas MacArthur, the national idol of Korea.

So a few days ago, following almost the precise pattern set for South Africa, Secretary of State Christian Herter went into action, taking the side of the Korean revolutionaries without any apparent information from our long-time ally and that gallant hero, President Syngman Rhee. David Lawrence, in his column of April 28, says:—

"The Korean public needed no further word of encouragement to carry on bigger and bigger street demonstrations."

On April 27 Rhee resigned. All this can be simply a prelude to the taking over of South Korea by the communists. Once again we have abandoned our friends. Perhaps betrayed them is a truer statement. Nothing must be allowed to stop the advance of communism—though defenders of this policy are careful to prate about "democracy."

Meanwhile we sit quietly by while communists, both Russian and Chinese infiltrate Cuba and other Latin American countries. They are preparing for the kill—the kill of the United States.

What in hell is our State Department thinking of? Traitors are obviously in position to control the destiny of the United States and her citizens.

MARXISTS - MENACE TO AMERICA

Resume from a recent address by
THE HONORABLE HERBERT HOOVER
to the United Presbyterian Men.

The minds of thoughtful Americans are greatly troubled, for we are in the midst of several dangerous crises.

We have Communist nations determined to destroy us and they are succeeding at our very doorstep, where we are not only plagued with their conspiracies but with the infection of Karl Marx in both the thinking of our people and these actions of our own government.

One crisis which haunts us is the spread of Karl Marx Virus. The agents of this infection are like hermit crabs which crawl into such terms as "Liberal", "Progressive", "Managed Economy", "Welfare State", etc.

This infection creeps through our Nation by deluded and misled men and by disguised organizations, cults, clubs, congresses and committees.

The clergy can perform a great spiritual service to America if they would tear away the disguise and expose the meaning of this infection.

Christian Faiths need to realize and resist the ultimate end of this infection among us.

American Youth particularly needs the organized support of The Whole Clergy of the U.S.

You should try to awaken the people from apathy and arouse a great stir of conscience that certain evils be ended.

The constant exposure and demands of the press for reforms in law enforcement needs the impassioned force of the pulpit.

The American way of life has proved to be pretty tough. It needs to be even tougher right now.

Our inreplaceable enemy is COMMUNISM.

-From BROWDER'S BOOK

"It is significant that the Communist Party, more than any other labor group, has been able to achieve successful united fronts with church groups on the most important issues of the day. This is not due to any compromise with religion as such, on our part. In fact, by going among the religious masses, we are for the first time able to bring our anti-religious ideas to them."

-From Earl Browder's book "What Is Communism?" Browder was top leader of the Communist Party in the United States for 16 years.

HELP SPREAD THE TRUTH

By Henry Allen

Those children who attended public schools 70 years ago, were taught that Benedict Arnold was the sum total of disloyalty to his native land. In the minds of every 10 year old student of that era, who had passed 5th or 6th grade, Benedict Arnold was the personification of treason and a symbol of perfidy and contempt for his attempt to betray his country.

To confirm that statement, suppose we look in upon that typical American school-room of 70 years ago and listen to the teacher who asks her class of some 40 pupils, "Who was the man who tried to betray his country? Without a moment's hesitation there came a loud chorus of young voices in lusty unison, "Benedict Arnold" . . . I know, because I was one of those pupils in that American school-room at the old Dwight School on West Springfield Street in Boston, Massachusetts, in the year 1890.

That was in the golden age when our school teachers were not afraid to teach truth about our glorious American history. . . . inculcate in those young great men and women who made for the This nation had not yet suffered the subversive blight of UNESCO, and its programs for "Progressive Education," or the pernicious poisonous influence of the National Educational Assn. We were taught the exalted characteristics of those thousands of illustrious patriots who had built our National independence in those formative years, and we had a feeling of great pride that, in all that era, there had been only one man, Benedict Arnold, who had sunk to the lowest depths possible, in his attempt to betray his country. In those days, any teacher who would dare attempt to destroy that patriotic feeling and faith of our American youth, would have been quickly dismissed and summarily dealt with.

Within a brief span of 70 years, however, our school-children have found all of that has been changed because of the combined and organized conspiracies which flourish within the United Nations Organization, and the National Education Association. This is vividly revealed in that UNESCO series of publications "TOWARD WORLD UNDERSTANDING" (in book 5) which emphatically states that, "Your children should be weaned away from whatever remains of traditional love and respect for family and country."

Again, in book 5, "As long as the child breathes the poisoned air of NATIONALISM, education in world-mindedness can only produce precarious results." Again in book 5, Education for 'world mindedness' encounters much difficulty outside the school. The principal one is certainly NATIONALISM."

A careful reading of the foregoing and numerous other volumes of treason published by UNESCO, should make it clear why our school-children today have become frustrated and confused, especially when they come to realize that contemporary American history, — if they are allowed to study it at all, — has become a history of intrigue, treason, and traitors; to mention a few:

Franklin D. Roosevelt and his New Deal Administration
Julius and Ethel Rosenberg
Alger Hiss, Owen Lattimore
Klaus Fuchs, Harry Dexter White
John Stewart Service, Harold Glasser
Dave Weintraub, Sol Adler
Remington, and a host of others.

WHY ALL THESE TROUBLES?

RECRUIT SEX MANIACS INTO ARMY OF TERROR — SHADES OF RED REVOLUTION

By G. F. Langly

The editors of "Common Sense" have consistently warned our readers of the political tyranny, perversion of jurisprudence, and biased action by pawns for Political Zionism and the Communist Party. And how these manipulators by subterfuge and intrigue slant the news by deleting factors which are necessary to newsworthy reporting.

Conclusively to this point is the widespread publicity given to the Jimmy Wilson case in Alabama. The Alabama Supreme Court upheld the death sentence of Jimmy Wilson, a three time loser for highway robbery. Wilson had invaded the sanctity of the home, raped and robbed an 82 year old white woman of \$1.95 for which he was sentenced to the electric chair. To the defence of Wilson came bleeding hearts of Europe, the American State Department, liberals and reds from over the U.S. Says the State Department: "If Wilson dies in the electric chair it will have a terrible effect upon our foreign relations policy." Such appeals ranged from the crocodile tear type to demands for a complete release of Wilson.

Now contrast the Wilson case with the 27 year old negro Frank Peterson in Holmes County, Florida, where, within 24 hours of his release from a prison camp, invaded a white man's home, killed the father and a two year old daughter. Stripped to the nude, he began his bloody orgy with an axe, struck the father three fatal blows on the head, struck a four year old daughter, a two year old daughter, and a six year old son. He beat, choked and raped the mother until she lost consciousness. The Holmes County sheriff says that the four year old girl was saved by surgery. When he picked her up, her brains were protruding from her skull. By a miracle the six year old boy was saved. Five members of the family had been bludgeoned by the axe in the hands of a vicious killer, and the mother received the same type treatment outlined in Communist Party meetings.

Peterson escaped by boarding a migrant workers' bus headed for the Eastern states. He was taken into custody in Springfield, N.Y., placed in the Buffalo jail for safe keeping. Although he agreed to waive extradition to Florida, when the Holmes County sheriff arrived, he found Peterson had been counseled by the NAACP attorney William Sims to fight extradition.

In the Wilson case, every Zionist-owned and Zionist-controlled news service including newspapers, radio and television mesmerized public opinion, resulting in an avalanche of letters to the executive department in Alabama to commute the death sentence of Wilson to life imprisonment.

The fact of the crime, and the nature of the crime committed by the two negroes is not the significant factor in this story; but, what is important, the pseudo hucksters for justice have been silent in the Peterson case. Neither the State Department, nor the Justice Department in Washington intervened to force Governor Averell Harriman to release the negro Frank Peterson to the Florida authorities. Nor in the course of four months has Governor LeRoy Collins pressed the matter to a conclusion. In the same vein it is significant that the U.S. Supreme Court has not issued a ruling for the negro Frank Peterson to have a full and speedy trial. In other negro and communist cases, the Court ruled the prisoner was unduly held because they were held overnight before being arraigned on the docket. WHERE IS JUSTICE, except for those whose atrocities are leagued with the pattern of communist invasion in Europe. Here in America, a negro who ravishes, rapes and kills white people can get favorable consideration under the im-

provised U.S. Supreme Court rulings. The Wilson and Peterson cases are merely samples of what will happen on a wholesale scale in the communist revolution in America.

Investigation discloses the NAACP has a "hard core cell" in every state and federal prison in America. Organizing communism in the American prisons is identical with the pattern the Bolsheviks used in Russia. On the eve of the revolution, sex-crazed maniacs were turned loose to ravish, rape and terrorize the people. Kenneth Goff, a defected communist who surrendered his documents to the House Un-American Activities Committee testified that the negro will be used by the Communist Party in America to ravish and rape white women to develop a brown race for the future. Through this avenue, the Communist-Zionist-Jew proposes to erase all Christian heritage.

Outlined in the Bridgman, Michigan Communist convention August 20, 1922, plans were laid down for the basis of "civil rights" agitation, and step by step these methods have been used since that day by the Communist Party and its subsidiary, the National Association for the Advancement of Colored People.

Presently, 4000 negroes are funneled into England each week from the British colonies.

Race relations in Africa are becoming more estranged. Isn't it time to do some accounting of the facts?

Though many gentile Christians disregard the fact by defending the Jew as God's chosen people, let us look into some Jewish writings for proof of their plot to Judaize the World. (This is the purpose for Communism.) The capsule point of view of the Judaist is "Christ is a fake and an imposter, and is not the messiah of the world; that we are God's chosen people and it is up to us to establish a messianic reign on the face of the earth to control all people for God." Additional testimony is taken from the book PEACE OF MIND, by Rabbi Joshua Loth Liebman, Simon and Schuster, publishers . . . page 171: "A NEW GOD IDEA FOR AMERICA . . . To come to a new idea of God will require genuine growth and maturity on our part. It may well be that in this age, when we realize we must give up our old ideas about economics, isolationism, and national sovereignty, we shall also come to a new idea of God—an idea that will reflect America's democratic experience and culture" . . . again on page 173, we quote: "There is a chance here in America for the creation of a new idea of God; a God reflected in the brave creation of self-reliant

social pioneers." The ultimate purpose of Zionism in America is to change all values to the Old Testament equations. Such was the purpose for the late President Roosevelt to place the same pattern on the American people that Joseph had in the house of Pharaoh on the day Roosevelt closed the banks. Chief Justice Warren of the Supreme Court studied Talmudic Laws for one week and was given a Degree of Law to place the Court under Kosher action. Watering down Christian values and enforcing Talmudic principles to become the basic faith for all the world is the goal of the Jewish philosophy.

Basing their claims as God's chosen people, let us quote from Milton Stienberg's work BASIS JUDAISM, Brace and Company, New York; publishers . . . page 93 "The goal and final objective of the Mission are then none other than the deliverance of mankind. But in that happy event, when it has come to pass, what will be the servant's portion?"

"Israel will be present at the denouement to experience his Vindication. His time of service ended, his commission discharged, he will partake, as he deserves, of the universal redemption he has labored so mightily to bring to pass."

"His children so long dispersed and persecuted, will be reassembled in their ancient land, there to enjoy peace and security proportionate to the bitterness and length of their exile."

"The Jewish religion, so long mocked at and scoffed, will be universally recognized as the true faith. The ruined Temple in Jerusalem will be rebuilt to stand as a house of prayer for all nations."

Here in America the Jewish people have enjoyed a peaceful time "an excellence." They have taken advantage of every opportunity; by methods of duplicity they have sabotaged our church literature and our educational structure through modernistic programs. They have become a parasite sucking the life blood from a now sick, but a once great nation. Wherever the Jew has lived peacefully, that nation suffered through social disintegration, financial strain and blood baths. Quoting from page 8 of the 1953 American Jewish Committee book "The status of Jews is more secure in most of the civil and political right areas than that of some other groups, especially negroes; the rights of Jews are riskfully in balance. Accordingly, a large proportion of our work has been directed towards securing greater equalization of opportunities for such other groups, rather than for ourselves."

In short, America is the only nation in Western Civilization in which the Jewish people have not been persecuted and dispossessed of their personal property. To secure these rights, the negro has become their tool of agitation to invoke a revolution whence Zionism will emerge the victor. To resist integration is to resist Zionist authority. To buy Gentile is to resist Zionist control. To employ States Rights is to resist Zionist militant power. To build a new political party is to disemploy Judaism and rebuild Christian America.

Crime and Communism

A wise man of ancient Greece was once asked how crime could be abolished. His answer was that it would end when those who are not wronged feel the same indignation as those who are; and so with communism.

When the majority of Americans feel the same as the Hungarian Christians, communism will be abolished.

WHO ARE THE BETRAYERS?

—o— Continued from page 2 —o—

Utter confusion is reflected in the minds of young students as they ask why so many convicted traitors have been coddled and promoted by men in high political positions during the Roosevelt, Truman, and Eisenhower administrations,—and staunchly supported by thousands of so-called prominent political leaders and certain members of Earl Warren's United States Supreme Court who have showered maudlin sympathy upon them.

What answer can be given a teen-ager who asks why Harry Dexter White and his communist associates Ludwig Ullman (X), Solomon Adler (X), Harold Glasser (X), Irving Kaplan (X), Abraham Silverman (X), and Frank Coe (X), were allowed to continue as members of Henry Morgenthau's United States Treasury Department Staff, for years after Congressman Martin Dies had sent the name of Harry Dexter White to Attorney General Francis Biddle in Oct. 1941 as a suspected Soviet spy.

Is it any wonder then, that our school teen-agers demand to know why our voting citizens,—“the sovereign people with political power to make decisions,”—permitted themselves to be guided by the lying voices of scores of radio and television commentators who persisted in protecting this vile treason-cult by falsely interpreting the crucial events which, at that time, affected the security of this Republic. Many of the Nation's “moulders of public opinion” are to be found in this category, and the nauseating treason of such public purveyors of public information should be carefully studied by this, and future generations. Such a study would reveal the shocking truth that, during the past 70 years, America has become honey-combed with domestic traitors in high places of Government who have cooperated intimately with that swarm of anti-Christian philosophies, who have invaded our glorious country, and who work night and day for the destruction of our Christian way of life, the morality of our children, and the seizure of our homes not already confiscated, by predatory, money lending parasites.

Every thoroughly informed American knows that the United Nations Organization, conceived in iniquity, born of corruption, and perpetuated upon our free American soil by means of deceit and hypocrisy, is the HUB of international conspiracies to abolish the National sovereignty of the United States.

In the early part of November 1959, Senator Hubert Humphrey wrote President Eisenhower, urging him to make new efforts for arms control. Under date of November 17, 1959, the President replied to Senator Humphrey. This letter, however, was not confined to discussion of arms control. It contains some paragraphs which reveal the willingness of the President to join hands with some queer “playfellows” in his efforts to expand the powers of the United Nations World Court. One of the paragraphs reads as follows:—

“The Administration supports elimination of the automatic reservation of the World Court's jurisdiction by which the United States has reserved to itself the right to determine whether a subject of litigation lies essentially within domestic jurisdiction. I intend, therefore, on an appropriate occasion, to restate to the Congress my support for the elimination of this reservation.”

COUNTRY UNLESS WE DO.**

(the Connally Amendment.)

The foregoing becomes especially interesting when it is recalled that the New York business and international interests which maneuvered the selection of General Eisenhower for Presidential candidate back in 1951, appear to be the identical proponents of “One World Government” and represent the “liberal policy” of the United States towards Latin America, designed, or at least approved, by Milton Eisenhower,—and—which has established a Communist Government 90 miles from continental United States, thereby threatening us with the loss of the Panama Canal. After 20 years of sickening attempts to reduce this glorious Republic to an impotent province under one-worldism, the foregoing and a host of other items, appear as strong evidence of a gigantic intrigue to “soften up” the American people for the final betrayal.

In the words of Ralph Waldo Emerson:—
“For what avail the plow, or sail,
Or land, or life,—if Freedom fail.”

—truth—

— “IT'S YOUR COUNTRY” —

By John W. Beck, noted columnist
in L. A. Highland Park NEWS-HERALD

“Everybody, parent or not, has a vital personal stake in thwarting the Communist plan to destroy the United States through corruption of our children. The AMERICAN LEGION MAGAZINE, Nov. 1954, (page 6) under the heading ‘Master Plan,’ contains a verbatim list of the official Communist Party Rules for Revolution. Here is the first rule on the list:

‘CORRUPT THE YOUNG; get them away from religion. Get them interested in SEX. Make them superficial. Destroy their ruggedness.’

“And who are the eager beavers,—the dupes, the stooges used by the Communist Party to carry out the ‘Master Plan’? Foremost among them is a thing called UNESCO—the United Nations Educational, Scientific and Cultural Organization. Under its auspices American teachers are trained . . . and today UNESCO hangs like a giant evil shadow over our schools, feeding its propaganda to teachers, and from them to pupils, through such organizations as the National Educational Association and its offshoots.

“The old moral standards and traditions, such as reverence for God, country, flag and parents, are ignored or scorned and the children are to be educated in ‘world-mindedness’ with considerable accent on SEX. Part IV of the UNESCO Series contains hundreds of particularly offensive questions . . . This UNESCO booklet (for children 13 and younger) recommends that teachers pry into the most intimate personal details of family life, with special and revolting emphasis on SEX.

“Here are just a few of the . . . questions to which teachers are supposed to learn the answers:

Is there any arrangement for illegitimate children?
Is masturbation in children recognized as being common?
How do parents behave toward each other before the children?
What are the boys' chief sources of sex knowledge?
How much emphasis is placed on chastity?
What adolescent SEX ACTIVITIES are common?

“In line with the Communist edict to CORRUPT THE YOUTH and get them interested in sex, obscene books have been placed in school libraries and even in the curriculum. One such case which attracted nationwide attention was that of Marin County, California, where high school libraries were found to contain books describing in raw and complete details such things

as sexual relations, prostitution, perversion, incest and drug addiction, often in the form of fiction which could hardly fail to incite the sex urge and encourage corruption.

“I cannot quote here the objectionable excerpts from these books. They are much too filthy and obscene to appear in public print. After the books were presented to the Marin County Grand Jury, which found them shocking and objectionable, the school board ordered that they be retained on the shelves . . . Filth is filth . . . Vile sentences, creating equally vile images, aren't cleansed by any surrounding text. Yet the N. E. A. chose to commend the school board for placing the books back on the shelves in the school library. N. E. A.'s publication, “American Citizen's Handbook,” gives ‘to help perfect world government’ as a GOAL for education. In ‘The Enemies and the Critics of the Schools,’ R. A. Skafte refers to ‘the rotten patriotic fringe.’”

(This Skafte is paid Executive Secretary of ATOLA -Affiliated Teachers Organizations of Los Angeles - which provides legal counsel to defend any member whose job is threatened . . . It may be noted that the Elementary Teachers Club has withdrawn from this organization).

“Consider the foregoing and decide for yourself WHO is helping the Communist Party to corrupt America's youth!”

ANTI-SEMITISM IN U.S.S.R.

—o— Continued from page 1 —o—

Can the Bilderbergers, the Foreign Policy Association, the Inter-national Bankers so guide this international situation—so as to insure there will be no Hot War . . . and their liens on future production of the peoples of the world be conserved? For after all—it is they who direct the executive branch of our government.

7. So, whatever the Judeo-Communists have in mind in the face of these few probable situations—the coming meeting at the Summit and as to disarmament,—will soon develop.

8. In any case, it is quite plain, as a stooge for Judeo-Communists you have placed yourself irrevocably on the record for the future. You are either on the inside . . . or it seems, pretty stupid. That also applies to the Congressional supporters of the Civil Rights Bill—who knowingly seek to impress this on the people—as fulfilling one of the main planks of the Communist Party.

All of this on your part and the “collaborators” may be part of the plan which you calculate cannot fail . . . but God help all of you if you slip a decimal point.

Yours very truly,
George E. Deatherage

Dear Mr. Hoover -

As a member of the Executive Committee of the Citizens Committee for Decent literature of Maricopa County of Arizona I am anxious to know something about the enclosed publication - Common Sense.

To me it seems to be anti Semetic. Also the articles seem to take an extreme view. I am not jewish but I am anti-communist. I didn't want our committee sucked into a position so we can be called "witch hunters", do-gooders or lazy hairs!

I do not know who mailed this copy to me but material from it has been quoted.

Can you give me any information about the American Civil Liberties Union.

Any information you can give me that is helpful will be appreciated -

Sincerely

I consider this type of literature anti-American and basically pro-Communist. While I have no idea as to whether your governmental department may be specifically interested in this type of literature I feel it should be called to the attention of some responsible government agency and since it was directed to me through the U.S. Mail I am taking the liberty of forwarding it intact to your attention.

HOW ABOUT KENNEDY?

IT'S NOT HIS RELIGION - IT'S HIS RECORD SHOULD BE EXAMINED

Senator Kennedy's religion is no problem unless his is not strong enough. The public spotlight focused so strongly on his religion has obscured his liberal record.

He was vaccinated for a Catholic, but how strong did it take? So much attention on his religion is ridiculous. Eisenhower attended no church until he became President although his parents were Jehovah Witnesses. Little attention has been paid to Adlai Stevenson, a Unitarian (and Unitarians do not believe in Jesus Christ), but we do pay attention to his liberal red ideas. Are the uninformed people going to support Kennedy just because they fear to be branded bigots? Are we losing our political balance?

If there ever were a time we needed to examine a Presidential candidate's qualifications, it is now.

Let's forget Kennedy's religion, that shock of hair, that smile and handshaking ability. **fight McCarthy until he was dead. Repre-**

Senator John F. Kennedy

Last year, Kennedy said in an interview that there had been no Catholic influence in his personal education. He could well say that for he never attended a Catholic school a day.

No one can deny he has been soft on Communism.

Lenin said—for every communist there are ten willing and able to do their work.

The Anti-Defamation League (Jewish F.B.I.) published and circulated a 50¢ book against the McCarran-Walter Immigration Act written by Kennedy.

Kennedy's nomination or election can only be harmful to the well-being of our Country and especially so to Catholics who will be ashamed of him. He will open the gates to the Reds, equal only to F.D.R.

If this were Dean Clarence Manion, Catholics and all patriots could be proud of him. Rev. J. B. Carol, O.F.M., editor of "Marian Studies," a Catholic scientific publication, stated in an article that Kennedy is too lib-

and his father's millions. The responsibilities of the next President will be terrific. Apparently Butcher Khrushchev looks at Kennedy with hope. Khrushchev says he wants to wait until after our election for a summit meeting. He doesn't like Ike or Nixon and he must see that Kennedy is making the most favorable progress of any candidate. Khrushchev no doubt has studied Kennedy's record and is not alarmed.

Kennedy himself does not remind us of his record for he wants votes. He knows the sound thinking voter, Catholic and non-Catholic, would oppose him if they knew his record. Organized leftist pressure groups know how he has served them—he is their darling and will have to serve them if elected, hence they go all out for him. He is their front, and if tolerance of religion can elect Kennedy, the liberal leftist will be in clover.

Not all of the enormous sums of money comes from Joe Kennedy, his Dad. Walter Reuther, who wrote back from Communist Russia "Work for a Soviet America," with his enormous union funds, is pouring money into Kennedy's campaign and Reuther's thousands of shop stewards have been ordered to not leave a stone unturned to put their stooge in the White House. Kennedy, member of the Senate Labor Rackets Committee, with his brother Robert, chief counsel, protected Reuther and David Dubinsky.

Kennedy's 2½ year record in the Senate shows him voting for the left 93 times out of 97 on key issues. He matched Hubert Humphrey who is the farthest left in the Senate. He voted to abolish the loyalty oath by college men whose tuition is paid by the government and is red hot to give taxpayer's money and farm surplus to communist Poland and Yugoslavia. He is the darling of the Americans for Democratic Action, a Jewish marxist front which gives him a 100% voting record.

Kennedy has stated over and over that had he been present when censure was voted on Senator Joe McCarthy, he would have voted against the patriot. He dared not

oppose Chester Bowles, leftist, is his foreign policy adviser. Arthur Schlesinger (Harvard) is a close adviser. This man is a notorious leftist Jew. Hyman B. Raskin, former campaign manager for Adlai Stevenson, is also a close adviser. It is believed if Kennedy is elected he will appoint Adlai Stevenson Secretary of State and F.D.R., Jr. Secretary of the Navy.

On November 17-57, Kennedy was a speaker in New York before the American Jewish Congress, an aggressive Zionist group. May 25-57, Kennedy and Bishop James A. Pike were honored by plaques at the Jewish Theological Seminary.

eral for her, and defines a liberal as "one who favors Bigger Government at the expense of individual freedom."

Rev. Francis J. Connell, former dean of the school of Sacred Theology at Catholic University, speaking of Kennedy said: "A Catholic would be guilty of sin if he voted for a candidate because he was a Catholic and passed over a non-Catholic candidate who he thinks would make a better President."

Kennedy's candidacy will stir up anti-Catholic animosity, to the delight of the Jews, who will be happy to have the heat taken off them!

Boston, Mass. October 30, 1958

A MESSAGE TO MASSACHUSETTS VOTERS

Dear Friend:

We are taking the unusual step of writing you in this fashion because we feel so keenly the importance of reelecting Senator John F. Kennedy to the United States Senate.

All of us have read about his ability, his integrity, his keen insight, his leadership and his full understanding of our problems. All Massachusetts citizens are appreciative of the assistance he has rendered the depressed industries of our state, such as the textile, leather and fishing businesses. All workers are indebted to him for his constant efforts to expand their protections, to eliminate abuses in labor organizations, and to improve their living standards. In fact, the record of his accomplishments is so long and so well known that it is neither necessary nor feasible to list them.

As members of the Jewish community, we would like to call particular attention to his support for and his efforts in behalf of the many projects which have benefited our community and for his consistent program of aid to the young country of Israel. One of his first actions after being elected to the Senate was to sponsor a resolution remonstrating against anti-Semitism and persecution of Jews in Soviet Russia. Then, when the arms race between Israel and her Arab neighbors became acute, he urged the Secretary of State to lift the embargo against the shipment of arms to Israel. During that same troubled period he sponsored a resolution calling upon the United States Government to refuse to acknowledge the request of the Arab Governments that United States agencies be prohibited from sending Americans of Jewish faith to posts in Arab countries.

Where Communist Power Lies

James P. Warburg

Edward M. Warburg

Jacob Schiff

Henry Morgenthau

Herbert Lehman

The following article was written by Mr. A. K. Chesterton in May 1954 and published in his magazine in London. We re-publish to help those who can think to understand how the Soviet Union became such a frightening power.

Critics of Candour's stand for the national sovereignty of the British peoples against incessant American pressures always base their argument on the supposition that such resistance must aid the Soviet Union. They find incomprehensible our assertion that the opposite is the truth, that as the breaking down of normal tissues provides the conditions favourable for malignant growth, so does every impairment of the principle of nationhood make us the more vulnerable to the cancer of Communism.

The belief that the United States affords protection against this danger, whatever may be its momentary truth, is historically false, and it is false not only because America seeks to break down healthy national cells as part of her nominal anti-Soviet policy but also because the Communist cancer was incubated, not in Moscow, but in New York.

the creation of the Federal Reserve Board system whereby they gained control over the entire credit mechanism of the United States and became the effective secret government of that country. The same financiers accompanied the President to Versailles, dominated his actions there, and campaigned with the utmost vigour for their "Russian" proteges, then amiably engaged in exterminating their Christian opponents by the millions. I put the word "Russian" in quotation marks, because in truth the makers of the revolution on Russian soil were of the same race as the financial backers of the revolution in Wall Street—Ashkenazim Jews. These Jews, using every imaginable kind of fraud to defeat the immigration laws, had swarmed into the United States towards the end of the century, and by slick brains, energy, cohesion and abashless self-confidence had made themselves the biggest and wealthiest pressure group in the land. The British Ambassador, Sir Cecil Spring-Rice, placed on record their power to dictate American policy during the First World War. They were a state within a state, using their host's physical means to serve their own purposes all over the world.

BUILDING THE SUPER-STATE

Even while the war was still being waged the Jewish policy-makers of New York, using as tools Red agents such as Alger Hiss and Harry Dexter White, brought into being the United Nations as the basis of a projected Jewish super-state and the World Bank as the basis of a projected Jewish international credit monopoly. They also created U.N.R.R.A., the two-fold purpose of which was to bolster the economies of the new Soviet satellite states in Eastern Europe, where almost all the relief was distributed, and to finance the illegal Jewish migration to Palestine. So blatant had the policy-makers become in the pursuit of their designs that Mr. Henry Morgenthau, then Secretary of the United States Treasury, even sent the Russians plates so that they could print their own dollar notes.

No more alarming picture of Jewish world power exists than that of the seizure of Palestine, carried through under the direction of Jews armed with the diplomatic immunity which all countries, including our own, were coerced into extending to United Nations and U.N.R.R.A. personnel. There was scarcely a government which was not suborned to play an active part in the in-

SPECIAL PLEADING

Let doubters read with close attention the sixth of President Wilson's Fourteen Points, presented in an address to Congress in January, 1918:—

The evacuation of all Russian territory and such a settlement of all questions affecting Russia as will secure the best and freest co-operation of the other nations of the world in obtaining for her an unhampered and unembarrassed opportunity for the independent determination of her own political development and national policy and assure her of a sincere welcome into the society of free nations under institutions of her own choosing; and, more than a welcome, assistance also of every kind that she may need and may herself desire.

The treatment accorded Russia by her sister nations in the months to come will be the acid test of their goodwill, of their comprehension of her needs as distinguished from their own interests, and of their intelligent and unselfish sympathy.

That was a most amazing piece of special pleading. As American public opinion, then as now, was wedded to the system of private enterprise, it is clear that in thus furthering the cause of the bloody-handed, anti-Christian revolutionary terrorists President Wilson was not speaking for the American people. For whom, then, did he speak? The answer is—for the men who plotted and financed the revolution, men who—so far from being the horny-handed sons of toil of the popular imagination—were the international financiers at the heart of the New York Money-Trust. Prominent among them was Jacob Schiff, the Warburg Brothers, Otto Kahn and the European affiliates of their international banking firm of Kuhn, Loeb and Co. It was this same complex of interests which had used Wilson to sponsor

purposes all over the world.

RECONQUEST OF U.S.A.

When Wilson fell in the great American reaction, the political influence of these Master-Jews steeply declined, and for many years they were compelled to rely upon other countries—our own among them—to serve their special racial purpose, foremost among them being the nurturing of their Soviet foundling and the preparation of the ground for the Jewish rape of Palestine. When Roosevelt came to power in 1932, however, they re-conquered the United States. They also made prodigious fortunes out of the New Deal. The outbreak of the Second World War found them again in a position to take over the secret government of that country and to pursue much the same sinister policy. America did not enter the First World War until Czarist Russia was overthrown, or the Second World War until Hitler attacked Stalin's Russia. Once the Berlin-Moscow axis was shattered, however, World Jewry swept to its revenge, in the process almost openly organising the United States as a part of the Jewish-Capitalist-Communist conspiracy against Christendom. Specially protected Reds were placed in key positions, where they evolved the policy which was fulfilled when the Russians were admitted to the heart of Europe and given their heart's desire in the East, and when the decision was taken for the United States to share the post-war world with the Soviet Union—which would assuredly have happened but for Stalin's inexplicable withdrawal from the plot at the end of 1945—at the expense of Great Britain and the other Western European nations. Innumerable instances of the conspiracy could be furnished, but perhaps none so clear-cut as that provided by General Mark Clark, who tells in his autobiography how, as the Allies pushed back the Germans in Italy, the formidable M. Vyshinsky, with the full knowledge of the U. S. Government, travelled in their wake to try to arrange for the eventual Bolshevisation of Italy.

was scarcely a government which was not suborned to play an active part in the infamous proceedings. The picture was first given to the world by General Sir Frederick Morgan, European head of U.N.R.R.A., who related how train loads of prosperous Jews, with pockets stuffed with money, were allowed out of the Russian-controlled regions to take part in the illegal trek. There had clearly been a bargain between Zionist headquarters and the Kremlin to secure this result. General Morgan was finally dismissed from his post for daring to affirm that U.N.R.R.A. was functioning as a Communist espionage organization, his quietus being delivered by the New York Jew Herbert Lehman.

So unblushingly has history been falsified before our eyes that most people accept without question the idea that the era of the great American loans began when Washington decided to line up the West against Communism. That is pure fiction. The original proposals included an initial loan of one billion, five hundred million pounds for Russia and Marshall Aid, so far from being an anti-Communist measure, was intended—until Stalin withheld his cooperation—to be fed to countries behind the Iron Curtain. When the American reaction set in, as it had set in after Wilson's solid support for Russia at Versailles, the master-planners of Wall Street, paying the time but needful woe, concentrated upon building the West into their system through N.A.T.O. and its related bodies, cashed-in upon the seventy billion pounds worth of rearmament orders which followed the outbreak of the Korean War that had been contrived through the deliberate withdrawal of American troops, continued to work for "one world"—their world—and they now await a favourable opportunity of openly reuniting the anti-Christian forces of New York with the anti-Christian Soviet Union. That policy-objective outlined in Wilson's Point Six has never been dropped. Capitalism and Com-

United Jewish Appeal In A Crisis

Republished from the American Council for Judaism leaflet, "BRIEF."

The United Jewish Appeal is reportedly under investigation by the U. S. Treasury Department. The issue is presumably the manner in which UJA funds are used in Israel and, through the Jewish Agency, in the U. S. and elsewhere.

The World Zionist Organization controls the allocation of UJA funds, the UJA organization itself, and the beneficiary organizations abroad receiving UJA funds.

The American Council for Judaism has long opposed this political-national control over the major philanthropies of Americans of Jewish faith.

The present crisis was inevitable. Since Jews themselves did not investigate and cease objectionable practices—it was inevitable that the Federal government would. The big question is what kind of change will be effected: Whether it will be made to satisfy merely the Internal Revenue Code in some technical detail—or whether, for the first time, U.S. Jews will be given the opportunity to support a truly philanthropic endeavor, aiding only persons in need; not committed to Zionist state-building demands, as at present.

THE PROBLEM NOW

1. The Zionist Organization of America is a branch of the World Zionist Organization, subordinate to it, subject to its orders, and bound by its resolutions, its discipline, and its determination of what Zionism means and what duties it imposes on Zionists. In like fashion every "Region" or "District Zionist Organization" in the United States is part of Z.O.A. and subordinate to it. Every member of Z.O.A. is a member of W.Z.O. and is therefore subject to its authority. The final and binding word on Zionism and its program goes forth from

We are aware of the fact that there are among our members substantial supporters of Jewish philanthropic agencies throughout the country. We call their attention to the fact, however, that they and all Americans now have the opportunity to assist another category of needy Jews—by support of the ACJ Philanthropic Fund, whose available resources are used for strictly humanitarian purposes without political or Zionist bias.

THE ACCURSED BLIGH

By C. M. Cadwallader, Victoria, B. C.

When Mr. Winston Churchill, shortly after World War I, described conditions in Russia he spoke also (probably unwittingly) of the state of affairs that since, at one time or another, have obtained in every one of the Soviet's satellites—slave states—created by that Satan-spawned organization called COMMUNISM. He said in part—

Was there ever a more awful spectacle in the whole history of the world than is unfolded by the agony of Russia? This vast country; this mighty branch of the human family, not only produced enough food for itself, but is now reduced to famine of the most terrible kind, because the theories of Lenin and Trotsky have shattered the system of scientific communications by rail and river on which the life of great countries depend. . . because they have driven man from the civilization of the 20th century into a condition of barbarism worse than the Stone Age and left him the most awful and pitiable spectacle in human experience."

INFILTRATION— This is the brush with which the Western World is more than lightly tarred; for this Communism is the viper that we have nationally recognized, confirmed as an ally by treaty with its masters, and have been hugging to our bosoms, allowing its venom to poison every strata of society from the highest to the lowest levels in statecraft, industry, scientific, cultural and religious life, even to granting special privileges denied our own people, the while according its numerous delegation the red-carpet treatment, only to find that, with their ever present secret police, we are being undermined and gradually filched of our birthright by those agents of a foreign power—"disease carriers of a hated ideology." All this in the full

authority. The final and binding word on Zionism and its program goes forth from W.Z.O.

2. The Zionist program requires as a duty of Zionists uncompromising support of the State of Israel, "ingathering of the exiles" and development among the Jews of the World of a "national" consciousness, the view that all Jews everywhere form one nation of which the State of Israel is the center.

3. The Jewish Agency for Palestine, with headquarters in Jerusalem, is one and the same organization as the World Zionist Organization, and the Agency's Executive is the Executive Arm of the W. Z. O.

4. The World Zionist Organization is an instrumentality or organ of the Government of Israel and is engaged in political activities.

5. The World Zionist Organization has established a chain or network of organizations to raise money for it. The bulk of funds raised by U. J. A. is turned over to one organ of W. Z. O. and by a chain of other organs passes to Israel, in a manner defeating final accountability. All funds thus transmitted become part of the budget of W. Z. O. to be disposed of as W. Z. O. determines. The ends to which the funds are put include governmental purposes of the State of Israel, political purposes in the United States and Israel, and indoctrination of American Jews in Zionist philosophy.

COUNCIL APPEALS TO DE-POLITICALIZE THE U.J.A.

We are seriously concerned that despite extensive operations by the larger Jewish philanthropic organizations in the United States, urgent needs of thousands of victims have not been adequately met, and many uprooted Jews are still suffering severely.

We believe that one reason for the critical lack of funds available for these victims has been a disproportionate use of funds directed to the massive financing of Zionist projects.

Price \$3.00 Order from C.E.A.

The inflated Negro NAACP agitator, Communist collaborator, sit-down-strike and boycott director, Rev. Martin Luther King, Jr., said on recent Meet the Press interview, when questioned concerning unlawful negro invasion of private property and defiance of specific State laws, that they (negroes) appeal to a HIGHER MORAL LAW—presumably the law of God, or 'Justice'—as against that of the State, and this gives them the right to ignore or violate State laws.

Well, of course, this knife cuts both ways: then, equally, Whites have the right to ignore and defy the unconstitutional Supreme Court Communistic, precedent-shattering decision of May 17, 1954. Whites have the right to oppose integration and thereby the mongrelizing and genociding of their own Race, inasmuch as the Bible distinctly does NOT uphold race-mixing (adultery of the races). Nor does the Law of Nature uphold it. Nor does the example of GOD, the "Original Segregationist," Who made the differing races and set "metes and bounds" for them, uphold the activities of the Communistic Jew-Negro Combine as against the White Christian Race and its rights per se. The LAW set forth in Genesis is "Everything after his kind." As aptly stated in May 1960 issue of *The American Mercury*, "The great need of our nation is a Civil Rights Bill for Christians." (page 64).

So, let's look at the record of Martin L. King as set forth in excellent anti-Communist newspaper, *Common sense*, issue No. 340, dated April 1, 1960, which also incontrovertibly documents Jewish organized backing for Integration as against the White Christian Race, both in America and Africa.

Anarchy and lawlessness, with soaring crime rate (especially on the part of our misled, brainwashed youth, who should be the HOPE, not the DISASTER, of America) are rapidly becoming a reality in this once-White Christian Republic.

agents of a foreign power—"disease carriers of a hated ideology." All this in the full knowledge of the peril which intelligence reports have given warning, and especially the communist manifesto which reveals their aim to be world domination, according to the Marxian-Communist pattern of pure atheistic doctrine—the dethronement of God and replacement by a One World Government, ensuring enslavement of the individual where no vestige of personal freedom will exist. Concerning this plan Lord Vansittart, speaking from a lifetime of Foreign Office service, says—

"There should be complete ostracism of everyone and everything connected with Soviet Russia."

Their power in politics, labor, etc. is too well known for reiteration here, but, to the staunch churchman their burrowings in the realm of RELIGION will come as a distinct shock to find that THE CHRISTIAN RELIGION is one of their most fruitful fields. The statistics are startling.

The world is familiar with the names of the Red Dean of Canterbury and his Canadian counterpart Dr. Endicott, also American Bishop Oxnam. These are amongst its brightest intellectual stooges. *Kingdom Digest* Dec. 1956 reported Herbert A. Philbrick, former F.B.I. intelligence counter-spy on Communism, declaring that there are more names of Ministers than any other profession on the list of Communist supporters in the U.S.A. . . . In the Methodist denomination alone there are 2109 Ministers with Communist-front affiliations. What about the other denominations? Said Henry Badeaux, a New Orleans expert on Communism—

"I am appalled at the ignorance of some persons inside the church . . . They (the Communists) would go right inside the church and get themselves ordained a Bishop if they thought it would help their cause."

Our authorities elected to guide the course of government and religion cannot say they

have not been warned. State and independent intelligence services have rendered their report of unlawful operations within our borders. Then there are civil societies that, paradoxically, though despised by the highbrows of world-progress-ideas after the materialistic and humanistic trend, so carefully cultivated by Communists, have the soundest grounds for their conclusions, because they are based on the best and surest foundations, viz:— the Scriptures, whose exhortations have a very practical business application in both an individual and national sense, at which no reasonable mind can cavil. For proof of this—ever since we entered into alliance with the Soviet Union we have held the short end of the stick in everything. The war and its aftermath has cost the British Commonwealth and the U.S.A. astronomical billions in cash, enormous loss of life, ships and war material of every kind, and every international conference has seen us outsmarted by the unscrupulous principles of Soviet diplomats. The Western Powers have done their utmost to reach a just agreement with the Communist allies, but their efforts have met with nothing but obstruction. Conference after conference has broken down; proceedings of the Security Council were rendered a farce by the Soviet use of the veto, and a violent campaign of slander and lies was started against the Western World. And still in spite of all these humiliations we continue to turn the other cheek and go the other mile until Christian virtue becomes a laughing-stock

The U.S. NEWS & WORLD REPORT says —“The U.S. and Russia have come together in 3400 meetings.” Out of these meetings came 52 major Agreements, 50 of which the Communists have broken, honoring only two, viz:—the promise made at Yalta to enter the war against Japan, and the Agree-

There exist here and there, particularly in English-speaking countries, humanitarians noted for their labours at prison reform and the welfare of inmates. No matter how straitened their lot it is not likely that their incarceration is anything so brutal as that suffered by prisoners in Resck Prison, Hungary, or in any other Soviet-dominated country, which a hard-boiled reporter, recoiling at the tales of torture related by a former inmate, describes as—

“sadism, depravity, bestiality beyond imagination—these are the end products of a system which must invariably depend upon the dregs of society to protect itself from the wrath of the people it has defrauded.”

Reader's Digest May 1957

During the last thirty years, especially, of Communism we have seen its results in cruelty and oppression on an appalling scale. It will be remembered that the press of the non-communistic world was surfeited with execrations on Khrushchev for the atrocities committed in Hungary, but no outburst that has come to the attention of this writer is so applicable as that which Queens Anne and Margaret, in their loathing, heaped upon the Duke of Gloucester—later King Richard III, in Shakespeare's play of that title—

“Behold this pattern of thy butcheries. Thy deed, inhuman and unnatural which his hell-governed arm hath butchered. Villain, thou knowest no law of God or man. No beast so fierce but knows some touch of pity. Foulter than heart can think thee . . . Hie thee to hell for shame, and leave this world, thou caco-demon—there thy kingdom is.”

Khrushchev is the highest executive of this well-spring of evil called COMMUNISM, with which we are allied, and also a bed-fellow in its lair—THE UNITED NATIONS, whose delegations we have hosted so lavishly, exhibiting to them many top secrets.

.. Guilt by association is considered crim-

or not it does succeed depends in large part upon our capacity to warn our fellow-countrymen of their danger, because only the retention of British sovereignty and the restoration of British power can ensure to the world that stability which will save mankind from the appalling tyranny of the proposed all-embracing Jewish Police State. As things are, our people are lulled by Communist deposits lost at the polls. That is not the kind of Communism we have to fear. Communism is not a movement of poor men, but of rich men—the richest men in the world—and it does not need Communists in the British House of Commons to bring us crashing to the ground. That aim is achieved by attacking our national sovereignty in which cause Members of Parliament, forgoing their brains, only too often aspire to lead the van.

ZIONISTS BACK KENNEDY

—o— Continued from page 1 —o—

“It is my understanding that Israel asks only that she be given a guarantee of no further raids or blocking of Israeli shipping on the part of Egypt from the territory which Israel will relinquish. If such a promise is not forthcoming from Egypt, it seems to me that the United States as a leader of world opinion should make it clear that any such action or threat by Egypt from the territory at any future time would be met with prompt and effective action on the part of the United Nations, with recognition by the U.N. that Israel would then be entitled to defend her rights with any means at her disposal”

He stated very concisely his position on Israel a short time after he came to the Senate when he made the promise:

“Israel will not surrender—she will not retreat—and we will not let her fall.”

Only this year Senator Kennedy has

ment giving aerial contrabands to Britain, of which were life gifts on a silver platter.

WE ARE WARNED—

Of communism's chief listening post. Lord Beaverbrook is reported by American Mercury as saying—

"You Americans are a strange contradiction. You spend huge sums of money fighting the fifth column, but at the same time you have erected the biggest fifth-column headquarters in the world —THE UNITED NATIONS. It is filled with men who wish to subvert the government of the United States. You pay out good money (and Great Britain too) to bring these people into your midst. Why a great nation like the U.S.A. bothers to belong to such a monstrous organization — why any great nation would care to join is more than I can honestly comprehend."

Elsewhere he advised—

"Evacuate the United Nations and don't meddle any more in the domestic affairs of foreigners."

U. N. — COMMUNISM'S TROJAN HORSE

Apart from what some really wise people advise there are numerous Divine warnings (which are really the supreme of wisdom) such as that dynamic command—

"Be ye not unequally yoked with unbelievers, for what fellowship hath righteousness? And what communion hath light with darkness? Or what part hath he that believeth with an infidel? . . . Wherefore, come out from among them and be ye separate, and touch not the unclean thing? 2nd Cor. 6:14-17"

But, by and large, folks nowadays prefer to listen to anything but Bible talk "That's away out of date," they say.

Psalm 120 tells us what we must wake up to— "Woe is me that I sojourn in Mesech (Moscow). My soul hath dwelt with him that hateth peace. I am for peace, but when I speak they are for war."

(Pray God it may not be too late)

mal, and quite a common charge these days. Then are we guilty? How much longer shall we continue to embrace this viper COMMUNISM whose interpenetrations have blanketed the whole world with its accursed blight?

COMMUNIST POWER

—0— Continued from page 2 —0—

munism, in terms of power, are merely their twin-mechanisms to destroy the sovereignty of the Christian nations and merge them into the projected super state, where Jewish finance will exercise full sway and masterdom through that monopoly of atomic energy which is being sought with such feverish and fiendish persistence.

The Ashkenazim Jews who have conquered America seek also to conquer us. They have already, under cover of our alliance, in large part destroyed the British Empire. That is why Candour proclaims the need for a great British revival and a British Declaration of Independence. We are being blinded by the alliance, with its fiction that our destroyers are our protectors. They are nothing of the kind. They will sell us into slavery as willingly as they will sell into slavery the American people upon whom they now wax fat and whose material resources they use for their own nefarious world-wide purposes. To say that in exposing their plans for world dominion we are playing the Kremlin's game is to act as an unconscious agent of Christendom's betrayal.

The tragedy is that although the facts I have narrated are well known to an increasing number of people in the United States, there is almost total ignorance of them in the British world, where even to mention them is to conjure up in sleepy, complacent British minds a sense of the preposterous—and consequently to be adjudged mad. The facts nevertheless remain facts. Nothing has been written here which cannot be proved. Fortunately the conspiracy has not yet fully succeeded. Whether

the \$75 million loan promised through the Export-Import Bank to Israel and the development of the Jordan River Valley with United States assistance. The amendment to the immigration law which he introduced and guided through the Senate made 10,000 Jewish refugees from Egypt eligible for non-quota status, and he has introduced a number of private bills to aid individual Jews to enter this country.

However, it is not the fact that his record is so replete with illustrations of his understanding of Jewish problems that we urge the reelection of Senator Kennedy. We point to this record merely to show one of many illustrations of the human feeling and deep sympathy which has characterized the actions of Senator Kennedy during his service in Congress. We urge that all of you who feel as we do to vote November 4 to show your appreciation and confidence in Senator John F. Kennedy.

A dedicated great American patriot, who deplores the apathy and/or ignorance of many Americans re: the trend toward Communism, and the alien onslaughts upon our American Way of Life and United States Constitution, who has for years been a strong supporter of the Christian Educational Association,—publisher of the Anti-Communism paper "COMMON SENSE", edited by Conde McGinley, Box 807, Union, New Jersey,—in a letter to another American patriot said:

"What is the answer? Financial support for "Common Sense" until it hurts. Common Sense cannot long continue on its present basis. It is arithmetically and physically impossible. If Common Sense closes up, all opposition to the conspirators will soon collapse. They will read the handwriting on the wall. In my opinion every Christian patriot should send Common Sense some money EVERY WEEK, even if it is only \$1.00 salvaged from cigarette money, soft drink money, liquor money, movies, and other unnecessary comforts and luxuries. Ten thousand such persons could turn the tide, and a hundred thousand such persons could make a grease-spot of the conspiracy in six months time. If Common Sense shuts its doors we might as well push in the chips and join the other side. If we do not do it willingly we will have to do it unwillingly very soon. Conde McGinley is a living saint in my opinion. Must he also be a martyr?

DON'T LET THEM BRAINWASH...

The jazz musician to the left celebrates "anniversary" with help of brainwashed white admirers at interracial cake cutting ceremony.

To prepare the coming generation of Americans for total mongrelization, the agitators for compulsory integration realize that first they must brainwash and indoctrinate our children with a race-mixing philosophy from the very cradle. This means that from the earliest infancy the maturing child must be subjected constantly to interracial propaganda in which Negroes are glorified and idealized as athletes, as actors, as musicians and in other romantic and heroic roles. Since most of this is being achieved through the alien-owned TV and motion picture industries, the obvious way for Americans to halt this torrent of obscene racial propaganda is to permanently **BOYCOTT** any TV sponsor or movie producer responsible for it. Otherwise, your own daughter or granddaughter may someday end up like the ones shown here...

A Just Solution to the Racial Problem in America

By MRS. ALBERTA SPAIN
Secretary General, The Peace Movement of Ethiopia
Chicago, Illinois

The greater number of us Africans in America sincerely desire to leave the United States to go where we can live with our own kind, where we can develop a nation and culture of our own in an environment of our own choice. The governments of Liberia and Ethiopia are encouraging this immigration.

Opposition to the Movement is coming from a minority group in the United States, who wish to continue to exploit the African economically and politically.

We hate to be humiliated concerning mixing the two races. We are opposed to mixing our race with the white race. We are a self-respecting people, with a principle and integrity of our own.

In Africa we would build our schools and a society of our own. That would be so great that we would not think of anything concerning white association.

We can't understand why we are hated so in this country. We are not immigrants, not citizens, and there seems to be no law here to protect us. We were kidnapped from our Motherland, Africa, and brought here to this country in chains, sold into slavery and reduced to the condition of poverty and disgrace by the whites. We have been trying for eighty years to return to our Homeland.

We sincerely ask the white people of the United States to support

us in getting a bill passed in Congress to provide ways and means of carrying out Abraham Lincoln's plan.

On April 24, 1939, we were invited by the late Senator Theodore G. Bilbo of Mississippi to come to Washington for the introduction of the Repatriation Bill. Five hundred of us went to hear this bill introduced in the United States Senate. We carried with us a petition with 2,000,000 African signatures asking for Federal aid to put over this migration.

Before we could get anything done, Senator Bilbo passed to the beyond. After that, Senator Langer of North Dakota was chosen to sponsor this Repatriation Bill. It is now before the Committee on Foreign Relations pending a hearing.

We American Africans prayerfully ask your support in getting this bill passed this year, 1957. That will bring hope to the race-conscious people who have been working so long, trying to get the support of America to send us back to Africa.

We are now bewildered because of the humiliation being brought upon us.

If you mix the schools, you still have the race problem. Repatriation is a permanent solution.

Please write to your Senators and Congressmen and ask them to support the Langer Bill (S-276).

PLEASE NOTE—The old number of the Langer Bill (S-276) now before this year's Congress has been changed to S-759.

THE VIRGINIAN is happy to present here a moving article by Mrs. Alberta Spain, Secretary General of "The Peace Movement of Ethiopia," requesting every reader's support of the Langer Bill (S-276).

We join Mrs. Spain in urging every reader to write to his Senators and Congressmen, urging support of this most important bill, which would enable Negroes who wish to do so to return to Africa. Powerful and vicious forces, among them the NAACP, are opposed to this legislation. All fair-minded white people and all self-respecting

Negroes should be for it.

Many of our co-workers in the States' Rights, segregation, Constitutional and other patriotic fields have re-printed articles from THE VIRGINIAN from time to time. We want to request that as many as possible re-print Mrs. Spain's article. It should be put into the hands of as many Americans, white and black, as possible.

Readers who wish to write to Mrs. Spain may address her in care of THE VIRGINIAN. All mail will be forwarded.

EXCERPTS FROM . . .

CLIPPINGS and COMMENTS

By LACY JEFFREYS

From "Some Racial Truths About South Africa" by A. Desmond Burrighe, in the December *American Mercury* (250 West 57th St., New York 19, N. Y., \$4.00 per year):

"... the problem is so complex that skin pigment plays a relatively insignificant part in the failure of the two main races in South Africa to achieve the integration apparently expected of them by the rest of the world.

"Far more important is the inability of either race to understand the mental processes of the other. The friction is caused not so much by distinctions of color as by widely differing standards of mentality,

morality, civilization, custom and culture.

"... South Africa is not a black man's country. Nor is it a white man's country. Both have had a share in its development, the European as the planner and director—the brains behind it, so to speak—and the African as laborer. Both have their part to play in its future progress. But without the white man's know-how, initiative, capital and leadership, the country would have progressed no further along the road to civilization than have the backwater tribes of the Amazon.

"... One of the most formidable obstacles to the black man's progress at the moment is the black man himself. He lives differently, eats differently, laughs differently, cries for other causes than those that most often bring tears to a white man's eyes. He has a radically different conception of time, responsibility, security and well-being. His appetites are greater and smaller than the white man's, never identical. He lives from day to day and dies without regret."

Southern Congressmen Recommend District School Re-Segregation

The shocking discoveries made by the *Special Subcommittee to Investigate Public Schools* of the *House Committee on the District of Columbia* resulted in a recommendation by the majority of the Subcommittee that public schools in the District of Columbia be re-segregated. In part, the language of the Subcommittee was as follows:

"Therefore, we recommend that racially separate public schools be re-established for the education of white and Negro pupils in the District of Columbia, and that such schools be maintained on a completely separate and equal basis."

This report and its recommendations were signed by Congressmen James C. Davis, Georgia, Chairman of the Special Subcommittee, John Bell Williams, Mississippi, Woodrow W. Jones, North Carolina, and Joel T. Broyhill, Virginia.

Congressmen A. L. Miller, Nebraska, and DeWitt S. Hyde, Maryland, did not sign the report but issued a minority report. We call this fact to the attention of our subscribers in Nebraska and Maryland—and recommend that they remember it the next time Congressmen Miller and Hyde run for election. These two men should have to explain to their constituents why they refused to recommend the one known step that would save the people of Washington, D. C., from the horrors they now face in their schools.

On the other hand, regardless of action taken or not taken on the wise recommendations of the Special Subcommittee, the gentlemen who made them know that their names will go down in history because of the effort they made on behalf of the helpless people of the District of Columbia.

Rev. Webster McClary
P. O. Box 494
Kingstree, S. C.
Dear Rev. McClary:

Recently we saw copies of your speech to the people of Williamsburg County, S. C., and we take this opportunity to congratulate you for the courage you have. It makes me very happy to know there is alive, another colored Minister bold and brave enough to speak the truth in spite of the pressure groups.

You have a co-worker in the fight against the NAACP, Public enemy No. 1. The NAACP must go and we are out to stop it. If it was not for the truth of the Holy Bible on which all our beliefs are based, we would be of all men most miserable as we see our people being swept off their feet by wild propaganda to the extent that they cut off their own noses to spite their faces. Southern teachers who cling to the NAACP are doing just this.

God separated the human family into Races and who are we? Can we tell God He made a sad mistake? Will we dare to question God's good judgment? No man or group of men are big enough to undo what God has done nor to defeat any of His purposes.

You may be assured that the NAACP is riding for a fall and that right early.

Time is out for the Black Man being the foot mats of every people and the only way to make him stand on his own two feet is that God turn loose the bulldog of chastisement upon us. The cruel hand of the hard taskmaster will drive us together. The Uncle Tom Negroes of the NAACP are still offering our people the old sugar tit. Equal Rights, FEPC, Integration, etc. just won't work.

It's on God's time table that we, the members of this Black and noble Race will be restored to our place in the Sun. We shall soon be numbered with the family of Nations. We are sending you a copy of the AFRICAN OPINION. Please read the article "Gold Coast Elevated etc."

Our brothers at home and everywhere else in the world are giving

the White man back all his tools, even his names, while we in America, through the NAACP, beg for his crumbs. Yes, I mean crumbs, for our people sound worse than beggars when they cry for integration. Only white men who wish to use Negroes for convenience would dare encourage them in such folly.

Every race loving Black Man and Woman consider the Supreme Court decision a slap and a spit in the face of every member of our race. If one accepts it, he is a coward.

I have the pleasure of informing you that the NAACP is far, far from being the spokesman for the Black Race. Many of us hate integration, mongrelization and everything that goes with it worse than we hate a rattle snake, for it carries more deadly poison.

Had it not been for segregation in the South there would not be one black man in America worth ten cents. To prove this, I invite our brethren in the South, before you let the northern Negroes and Northern White Men make fools out of you, to send a committee to make a survey of conditions in the North and your findings will be shocking.

In New York, there is Harlem which many of our people are made to believe is Negro Heaven. It is owned by Jews. Stop and watch the stores on 125th street, the heart of Harlem. The black

men and women behind the counters may look good to you. To see them in some offices lying back in swinging chairs doesn't spell anything. Just keep watching and you will see the white men come before closing time with the keys and to get the money. Then you will know who is who.

In the south, when you see a black man or black woman behind a counter it is his store, his counter, and he is the boss. It is far from that in New York City. This sort of thing is what the NAACP is in hopes of spreading all over America. In so doing, the Black Man will soon control nothing. Once he is allowed to eat in the white men's restaurants or sleep in white hotels, Negro restaurants and Hotels would have to close down.

What we are fighting for and what every Negro should be fighting for is to establish a Government of our own, in our Mother land of Africa. One of Blacks for Blacks, controlled by Blacks, and strong enough to defend and protect Negroes everywhere. Then and only then will we demand and command the respect of all men.

The first step is organization. The second step is to become self-supporting. We must become creators and producers as well as consumers. As we rise from the gutters we dare not think of revenge. "Vengeance is mine", said the Lord. Always remember that righteousness exalts a Nation but Sin is a reproach to any people. Proverbs 14:34.

We want to acquaint you with the organization which we represent, "The African Stock Exchange Associate Development Corporation. Its chief objectives are all things which may tend to bring independence and self-respect to our Race. We offer membership to all patriotic members of our Race who are interested in keeping the Black Race Black.

We will appreciate hearing from you at any time.

Yours for the Uplift of Our Race.

ARCHBISHOP C. C. ADDISON
President General, Executive Staff.

(More than a thousand letters have been received by the Rev. Webster McClary and The County Record since his celebrated statement approving segregation was published last September and many other papers copied it. Nine-tenths of the letters from both White and Colored agreed with Rev. McClary, the other tenth disagreed strongly. The above letter from Archbishop Addison speaks for itself.)

It's Time To Speak, Kingstree Negro Minister Says

The following statement by the Rev. Webster McClary, pastor of the St. Paul M. E. (Negro) church near Kingstree, appeared in The County Record at Kingstree Thursday. The newspaper serves Williamsburg County and the surrounding area.

The statement in full:
To the people of Williamsburg County:

There are times to speak and times to keep quiet and this is a time to speak.

I am a Negro who was born and raised in your county. At present I am serving as local preacher in St. Paul M. E. Church near Kingstree, S.C. During the week I farm my own land and also run a licensed taxi service in town. I belong to the Free & Accepted Masons, to the Grand Order of Odd Fellows and to the Joint Stock Society. It has been reported that I belong to the NAACP, also.

First, let me say to my white friends that I have never belonged to the NAACP and never expect to. I'm too free and happy praising God, working hard and living in the friendship of both races.

I ask you to show this to your colored friends.

Second, let me say to my colored brethren and sisters:

You are doing a lot of talking about white Citizens Councils. You say they are not like a bunch of young drunks whooping and hollering on a possum hunt. You say Councils are springing up quiet as mushrooms in the night. And you say right. Those are smart steady men and they mean business. They have told you there won't be any mixed schools hereabouts and I'm telling you you can depend on that. You can quit your secret worrying and fretting about mixed schools for most of you don't want them any more than whites do. You just didn't know how to keep from having them.

I can say this to any Negro who has it sticking in his craw that he can't be happy without trying mixed schools. All you have to do to get your heart's desire is buy a ticket to Philly or other points north where they are already mixed. Nobody has to tell you that colored children don't learn books as fast as whites. But see for yourself how pitiful your big colored children will look in the same grades with smaller white children. Have you got enough money to dress your brood in clothes they won't be ashamed of? Go ahead and try it if you must. But don't be fool enough to slam the door in your white friends' faces before you go. You might want to come back like I did after I had lived up there a while. How if you come home and find the door locked? Your old key won't

be much good in a door fastened with a dozen ten-penny nails. Who is going to help you then? Will the NAACP give you a hand-out? Laugh, folks, laugh!

The years I lived in Philly and New York I made big money as a house painter but it took it all to keep going. When I finally came back home I hardly had one dime to rub against another. What did I do? I went to my white friends and got a job. Later, who lent me money to start farming? Who sold me seed and fertilizer and mules on credit? When dry weather ruined my crops, who let my debts ride till the next year? Who let me have groceries and clothes on credit when I needed them? When I was sick, who fed and clothed me free? Not the Red Cross, not the Welfare Department, not the NAACP but my own white friends. I say God bless them and their seed!

Now don't take the notion that I'm talking against my own race. I am not. I'm trying with the help of God to lead my people right. I'm warning all you Negroes not to be misled by a few NAACP folks you see strutting their stuff in your community. Remember the old saying, "Give a calf enough rope and he will hang himself." Just keep an eye on the calves around you and you are apt to see a show turn into a circus. If you are one of the calves, cut the rope now. Come out into the open and throw your weight for equal but separate schools where Negro children can learn to take pride in their own race instead of being ashamed of it.

White folks have politely appealed to us Negroes to use sense and look far ahead but they won't be surprised if we don't because we never have. Right now, I'm not appealing to you colored people about the distant future. I'm telling you about the present. If you are in the NAACP you had better get out while the getting is good. The white folks have told you straight and honest. They don't blame any Negroes for joining before they realized the NAACP was set to stir up trouble between the races here at home. But now things have busted wide open. Common horse-sense will tell you that every Negro who stays in the NAACP and stays in the South is planting briars in his own path and briars can grow powerfully fast in a Southern climate.

Did you read in the papers about councils in other counties "Exercising economic pressure?" Do you know what that means? I didn't either till I had it explained to me. In our kind of talk it means getting fired from a job or having your credit cut off. Be fair. If you were paying wages to

a fellow and found he was double-crossing you, what would you do? You would fire him so quick it would make his head swim. He would be lucky if he didn't get a kick in the pants for good measure. As for giving him credit, who? You?

If you think the NAACP will get those lost jobs back get somebody to explain the meaning of the news from Washington in the papers with big print in the top line saying, "Justice Department Lacking Interest in Economic Pressure."

Listen my colored brethren and sisters: Come out into the open and tell the world it's equal schools you want, not mixed. If you are too bashful, get somebody else to speak for you. Get on the winning side while you can. Forget the NAACP and the Supreme Court before they forget you. How long do you think they are going to stay in a lather trying to force mixed schools on South Carolina with all the whites, reared back on their hind legs saying, "We won't have them!" and three-fourths the Negroes slipping around to whisper, "We don't want them!" Take an open stand with your white and colored friends so things can settle down.

Let's all work together again on the program to build equal schools so your children can get a good education before they get gray-headed. Beg your Christian leaders to furnish you with good leadership. What this country needs is more Christian leaders on both sides who will teach their people to pray more and work toward friendship and peace and prosperity instead of mixing breeds against God's plan.

My friends, let all the nit-wit talking about mixing races go in one ear and out the other. It was God Almighty's plan to have a white race and a Negro race and when Gabriel blows his last trumpet, the two races will still be on earth to answer. The sprinkling of mixed-breeds will only show that both races were human and sinful and standing in the need of prayer.

If I were a betting man I would bet you that you'll see the day before too long that Northern big shots in the NAACP will get so sick of South Carolina Negroes, just the mention of one will make their stomachs turn upside down. Here's why. When they came down here, we Negroes thought they were pawing the earth, fairly kicking up gravel. They must have worked hard enough to frazzle an ox organizing NAACP chapters and sweet-talking suckers. They drew up petitions and got Negroes from far and near to sign them. They must have felt sure they had the South by the tail for

a down-hill drag. From the looks of news in the papers, they must have felt mighty steady in their saddles for they sure started driving their horses at a fast gallop. Then somehow, their horses began to stumble. First one and then another. What had happened? Why were so many Negroes suddenly yelling their heads off to take their names off those petitions? What had happened, you ask? Nothing new. Our Negroes were just up to their old tricks. I wonder if the Northern big shots understand it yet. I wonder if anybody ever told them that Southern Negroes are the best joiners on earth but the poorest sticklers when it comes to following strange Negroes. As for whites who step down on an equal footing with colored folks, we might pretend to respect them but when we get off to ourselves we call them dressed up white trash or say their grandpa must have had some tar in his blood.

Of course Southern Negroes will follow any big talker a little while if there's some excitement going on. We love excitement. But just wait till the new begins to wear off. The leader will still be marching full speed ahead, thinking we are right at his heels. After a while he has to stop to catch his breath and mop his brow. That's when he glances behind him to see how we are making out. But there's not a Negro in sight. All have taken to the bushes. Many are already making fast time by short cut to reach trusted white friends who have already helped them out of more than one tight spot. Northerners don't want to believe it's like that down South so we let them think what they please. It's not our fault if they have to learn the hard way.

I've done a lot of traveling in my day and seen a lot of sights. And I'm telling the world that South Carolina is a good place for Negroes who want to be good citizens. My colored brothers and sisters, pray to God to give you the wisdom to teach YOUR children to teach THEIR children never to let strangers come into South Carolina and mess things up for our race. Watch your step about signing petitions now and forevermore. God's blessings be on you and your seed.

Youth's Murder Story Shocks Inquest

VICTIM, Mary Manzo, 8, whose brutal rape-murder was reenacted by confessed slayer before coroner's jury.

CONFESSED SLAYER, Clarence Baugh, 17, shows Deputy Coroner Harry Glos how he swung pipe to kill little Mary Manzo in abandoned tavern. Youth's calm detachment as he told the sickening story of murder amazed the crowd at the inquest. Story on Page 4.

Vast sections of every major American city today have been transformed into veritable African jungles where whites enter only at the risk of their lives. And in many cities no place is safe at night. But because the newspapers usually censor such news, most Americans are unaware that Negroes commit a majority of the violent rape-murders in the U.S. But the papers get all steamed up when a few dozen Negroes over in South Africa are killed during a riot... 7/14/48

Nab Youth in Knife Killing of Woman During Attempt at Rape

By NATHAN KANTER

Recognized by a mugging victim and captured after a chase, Kenneth Coleman, 19, of 825 Madison St., Brooklyn, a carpenter, was charged yesterday with the fatal knifing of attractive Mrs. Estrela Matos, 28, during an attempt to rape her Nov. 13.

Brooklyn police said Coleman confessed after he was identified in an early morning police line-up by a witness to the Matos killing.

While questioning Coleman about the mugging, detectives had linked him to the Matos crime because he matched the description of the murderer and wore a three-quarter length iridescent raincoat, as the slayer had done.

Woman Seized Near Home

In Brooklyn Weekend Court, Magistrate Anthony Maglio held Coleman without bail for hearing next Thursday on a homicide charge.

An aid to Dr. Luis Navarro of 739 DeKalb Ave., Mrs. Matos was seized and knifed near her home on a well-lighted street about 9:30 P. M.—before witnesses—by a slight young man wearing a raincoat and a green Tyrolean hat. She died a few hours later. The youth escaped.

Court Hits 2 in Rape, Demands Quick Trial

By EDWIN ROSS

While one girl victim collapsed and the other stood shaking in fear, Magistrate David L. Malbin yesterday bitterly denounced two hulking men charged with kidnapping the girls. He demanded speedy court action.

"Savage beasts should be tried and, if convicted, on their way to Sing Sing within 10 days after they commit their crimes," Malbin said. "In that way the city will be a safer, cleaner place."

His Worst Case

Malbin asked Assistant Kings District Attorney Lewis Joseph to hasten the case to a grand jury, saying that, if true, "it is the most savage case I have ever seen in the many years I have been on the bench."

As the case was presented to Malbin in Brooklyn Felony Court, one victim, a pretty 16-year-old blonde, collapsed. She was helped to a chair, and given water. After the session, she needed help getting out of the courtroom.

The other victim, a pretty blonde of 20 and a cousin of the 16-year-old, shook convulsively throughout the proceeding.

A tremendous furor was kicked up earlier this year when South African police killed several dozen rioters who were attacking a police station. American newspapers went into hysterics over the affair. A world-wide hate campaign was launched against the Union of South Africa. The U.S. government "protested", and the United Nations gratuitously announced it would conduct an investigation into South Africa's policy of segregation ("apartheid"). Few incidents in recent years have received so much newspaper coverage or created so much maudlin concern for the "victims"...

But in contrast to the blazing headlines and the righteous indignation which followed the South African riots, most U.S. newspapers have reported almost nothing about the hundreds of white women who were savagely butchered last year by Negro rapists in the U.S.A.

In other words, the press goes into a tizzy when a few natives of Africa get killed during a riot, but remains completely silent when American women (and frequently children) are slaughtered right here in the United States in a terror reign which has no equal in all American history. Most big city newspapers, in fact, don't even report Negro rape-murders in their

own cities, and they never report them on a nation-wide basis...

The result is that the American people know all about the poor unwashed natives of Africa and their alleged "persecution", but knows absolutely nothing about what is happening right here in America.

It is high time Americans faced up to the realities of the situation. It is time they stopped wailing and gnashing their teeth over the plight of a few African savages and started paying attention to the Negro crime wave now sweeping over this country.

The way it is now, no white woman can walk the streets of any of our major cities at night without running the risk of being attacked, robbed or murdered. The fact that hundreds of white women ARE murdered and abused in

this fashion every year may not seem important to the professional bleeding hearts and the "brotherhood" crowd, but to every right thinking American the situation demands immediate attention.

It's a queer code of "brotherhood" and "tolerance" indeed which induces our newspapers and press to publicize the killing of a few African Negroes to the very skies, but which compels them to throw a paper curtain of protection around the activities of the Negro rapists who are turning our city streets into veritable jungles at night.

Government of Soviet Union and Government of Gentile people of Germany in 1939, and why the German people changed from Soviet Union to Hitler for German Jews to Soviet Union.

16. Speaking about Jewish slavery of three form; spiritually, economically and nationally. Therefore under every national government of Gentile people several time more freedom and prosperity for the people, than under any democratic system. And speaking about many other things endangering the Jews is know about by the Gentile people.

The system of democracy under the control of Jewish plotters is a system for the passage by different methods from national system of government of Gentile people under the slavery of Jewish Communism.

I reproduce some words of Mr. Dikis the member of the Jewish Secret World Government. Paris 1932, written by I.A. Rodionov. Page 116.

"All the power of the Jewish people is directed to enlarge the quantity and quality evil and vices on the earth, for deepening the people's falling and sinfulness. By that we enlarge the power of our father. The spirit has command over the matter.

JEWISH SPIRITUAL CEREMONY AND RITUAL MURDER.

Reprinted from the books H.A. Butmy and from the book "Ritual Murder", written by Ewgenei Brunt.

"Of confirmation by Neofit that the Jews have a secret belief and rabbis keep it secret that Jesus Christ was the true Messiah. The high-priests Ann and Kaife knew that, but due to their spiritual and political reasons they have not acknowledged Jesus. They use new principles in true-parody form for the sacrament of the synagogues, - in order to be saved by Christian children to death and obtain their blood for synagogues. They have believe that Christian children due to their innocence and virginity symbolize as the Saviour. Jews have a determined purpose - to produce the passion of Jesus Christ.

When gotten by this method Jews use the Christian children's blood sometimes fresh, sometimes soak flaxen goods, dry it and burn it. After receiving the ashes of it paymasters of synagog-

ues keep it in closed bottles in synagogues. Fresh blood or ashes of it the Jews use for all important ceremonials as confirmed by the Neofit. By circumcizing new-born boys the rabbi puts the fresh blood or ash of it from Christian children obtained by torment in a bowl with wine, put the finger of a child in this mixing with the words, "the life of you is in your blood" and after put his finger into child's mouth.

In marriage-ceremony nuptials the ash of blood is eaten with a egg cut in two parts.

In universary day the taking by Tito Jerusalem they rub their temples with blood ashes and eat it with a hard-boiled egg.

In a burial they put on a body of some mixed with blood of Christian children or with ashes and the white of one egg and deliver the words: "I sprinkle you by correct blood and you will be clean of all your filth." This ceremonial says that died Jew sure will be on a heaven, because he is cleaned by tormented blood of Christian children.

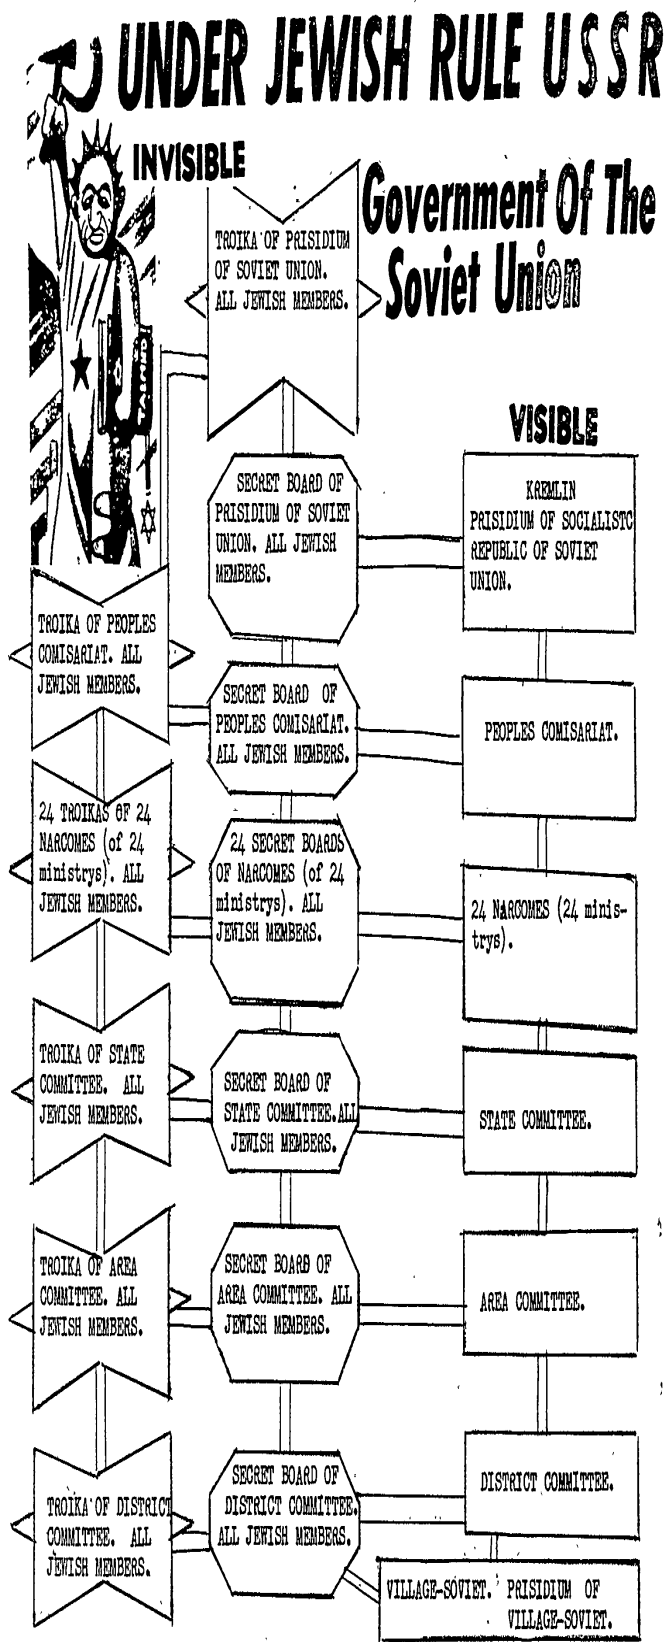

Jew Moisey and rabbi Serafimovich have proved that also they grease the temples and eyes by tormented blood to decedent. This ceremonial doing for cleaning off sins the decedent.

They grease the eyes of newly-born with blood. In Jewish Easter Day they mix some Christian blood or ashes of it in holiday bread that produces the Eucharist. They use Christian blood in The Purim Holiday and others."

Gentlemen:

WJ
I have on my desk a copy of a newspaper called
"Common Sense", an Anti-Communist Newspaper. To me
it appears to actually be a Communistic paper. I
would appreciate information concerning it since it has
received wide publication in our community. Publication
information is as follows:

"Common Sense" Editor: Conde McGinley
Published by Christian Educational Assn.
530 Chestnut St.
Union, New Jersey

Also, recently we had a speaker on campus whose
name is Mr. Kenneth Goff. He spoke concerning com-
munist activities in the United States. Most of what
he said I knew to be true, but a few statements he
made rang a note of suspicion in my mind. Could you
also give me some information concerning him that I
might pass on to members of our faculty.

Thank you very much. I appreciate your patience.

Sincerely,

Dear Mr. Trustin:

COMMON SENSE

Your letter dated November 10, 1960, and enclosure have been received.

I deeply appreciate the concern prompting your writing me and making the material you forwarded available. Certainly, there is nothing more counter to our democratic way of life than the widespread attacks on our inalienable right to worship in the church of our faith and share equally in the freedoms accorded every citizen by our forefathers, regardless of race, color or creed.

I have been shocked by the vicious literature being disseminated aimed at various religious groups, and I can assure you that the FBI is continuing to discharge its responsibilities in protecting the internal security of our Nation within the limits of its jurisdiction. Enclosed is a reprint of a statement I directed to law enforcement officials in the December, 1958, issue of the FBI Law Enforcement Bulletin which you may find pertinent at this time.

Sincerely yours,

NOTE: The inquiry in correspondent's last paragraph on page one is intentionally being ignored. There is, actually, no violation of law involved in the distribution of anti-Semitic literature, and correspondent's enclosure has previously been brought to the attention of postal authorities in connection with other citizens' inquiries.

Trustin enclosed an issue of "The Coming Red Dictatorship," typical viciously anti-Semitic literature disseminated by "Common Sense," Union, New Jersey. This material has frequently been brought to the Bureau's attention in the past, and all field offices are familiar with its background. Nothing derogatory re Trustin in Bufiles, and no prior correspondence has been had with him.

Mr. J. Edgar Hoover
 Federal Bureau of Investigation
 Washington, D. C.

Dear Mr. Hoover:

I am enclosing herewith a piece of mail that came to my residence during this week. After reading it over, I find that this is probably the most objectional piece of mail that ever came through the mail to me.

I can't believe that our laws permit a brochure or printing so outrageous as this to go to many of our citizens throughout the land, and particularly I don't think our laws allow this to go through the U. S. Mails.

You probably have received a number of these, but I am one of the indignant citizens who has run for election six time in our City Council and never known defeat. It so happens that the Mayor of our City is of the Jewish faith as I am. It also so happens that I am a Disabled Veteran with a Service Commented Disability. I have been a Commander of the Legion Post, the largest in the world, here in Omaha, for many years.

I am a Veteran of World War I. My son is a Veteran of World War II and Korea, having flown the heavy bombers in both of these wars. He is also a graduate of West Point.

I belong to all of the Service Organizations which is really significant in my feelings at receiving such a dastardly piece of literature. To these who have been expounded by this outrageous literature, it would take a volumn of history of America and their part in its creation.

I hope you will be able to tell me whether or not our laws are such that any citizens can be subjected to such a disgraceful display.

Very sincerely yours,

HARRY TRUSTIN

Dear Sir:

Thought you might be interested in noting
this "Hate" literature put out by a so-called "Christian Educational
Association." It was sent to me by a Jewish man in New York City.

It is different in that it indicts not only the Jews,
but the whole Congress of the United States.

The unfortunate part of it all is that many people
who come in contact with this type of literature believe it
because they want to hate. The world is full of hate, fear and ignorance,
said President Eisenhower.

Fortunately, Almighty God Jehovah & his Son
Jesus Christ will straighten it all out at Armageddon, which is
approaching fast.

I am not a Jew but have Jewish friends and would like to know from you just how true these accusations are! and of course we do want to do what we can to keep America out of the Communist hands if possible, and would give of our means to help but we would like to be sure the things we do will be to help and not turn America over to the Communist or Jews or Catholics either. Is this Christian Educational Assn truly American? Is Hyman G. Rickover and Lewis Strauss in this Communist setup? I have always thought Rickover a very good American.

Is Eisenhower controlled by this group?

We are really concerned and would like you to check these articles in this phamplet right or wrong & return the phamplet to us.

and to uphold it with justice and with righteousness from henceforth even for ever. The zeal of Jehovah of hosts will perform this."—Isaiah 9:6, 7.

The last twenty-seven books of the Bible prove eloquently that Jesus Christ is this foretold "Prince of Peace". Wisely knowing that the headstrong rulers and people who rejected his message could never establish lasting peace and happiness, he taught his followers to pray for God's kingdom by Christ, which would do so. (Matthew 6:9-13) To the scoffing Jewish nation that refused him, Jesus left only the prospects of desolation. And just such befell them at the hands of the Romans A.D. 70.

For the "last days" of this old "system of things" this true and greatest prophet sent from God foretold multiplied world sorrows heaped up by global wars, pestilence, famine and fear within one generation. At the same time must come attempts at world government, preaching of Christ's kingdom and hatred for its proclaimers. (Matthew 24; Mark 13; Luke 21) Though all such occurrences have together stricken this dying world since A.D. 1914 for the only historical fulfillment of this prophecy, scoffers continue to insist that God does not know what he is talking about. They choose man's way out. Man was wrong in Eden, wrong in Noah's

time, wrong in Christ's day on earth, and wrong in foretelling lasting peace after World War I in this generation. But he insists now that God, who has never been wrong, will be this time, and that man will succeed as peace-maker.

Man is imperfect and dying and can sponsor only a perishable hope. That is not the sound hope for you. Your opportunities for everlasting life upon a paradisaic earth in a new world where "righteousness is to dwell" (2 Peter 3:13) rest with Jehovah God and Christ Jesus. Their destruction of the Devil will end the 6,000-year-long universal "time for war" and usher in a lasting "time for peace". "The zeal of Jehovah of hosts" will perform these great acts and extend the blessings of life and peace to all parts of the earth with its many nations and families.

Scriptures quoted herein are from the "American Standard Version" for the Hebrew Scriptures or the "New World Translation of the Christian Greek Scriptures".

MAN'S ONLY HOPE FOR PEACE

No man-made government, but rather the kingdom of God is man's only hope for peace. That hope is made clear as never before in the *New World Translation* of the Bible. It is in modern everyday English, based on latest findings of Biblical research, and replete with marginal references, footnotes and appendix. Five volumes of this excellent translation are already available. Volume I of the Hebrew Scriptures includes Genesis to Ruth; Volume II, 1 Samuel to Esther; Volume III, Job to The Song of Solomon; Volume IV, Isaiah to Lamentations; Volume V is to be published later; and the sixth volume, which is available, contains the Christian Greek Scriptures complete. These volumes may be had for \$1 each.

permanent peace

MAN'S ONLY HOPE FOR PEACE

Total war or lasting peace—which do you choose? But what normal person does not want peace? Then to whom will you turn for it, to God or to man? Man's record as a peacemaker remains dismal, even in this age of apparent progress. It is too bad. Scientific knowledge can measure and weigh our earth and tap its resources for every conceivable invention. Every type of human rule and religion has been introduced to mankind. But nothing tried welds the diverse peoples together in harmony. Man seems able to do everything with the earth but live on it.

Men have ever been quick to label their own schemes with divine approval. This ancient practice was first carried on by Adam's immediate descendants outside the garden of Eden, who sought to call down the name of Jehovah upon their selfish attempts to rule. (Genesis 4:26) Of course, this availed nothing, since God is no partisan politician who can be "paid off" with fair speeches. For its godlessness that old world was washed out in the flood of Noah's day.—Genesis 7; 2 Peter 3:5, 6.

However, the political elements that sprang up after the Flood quickly forgot its lesson. Politics and false religion went back into business and have kept going right into this modern twentieth century. World War II saw the nations divided into two great camps. Victory prayers were numerous but meant little, since the same religions offered them on both sides of the battle lines. As further inducements, "Holy Years" come and go every twenty-five years. They are loud and gaudy but do little for peace.

Why Man Has Failed

No wonder! The political systems that religious prayers and sermons, "Holy Years" and rituals have been so long blessing are rooted in the hands of sin-spilled men, subject to the influence of the wicked

"god of this system of things", who induced the disobedience of our first parents in Eden. This one is Satan the Devil. (Genesis 3; 2 Corinthians 4:4; 1 John 5:19) Hate, selfishness and greed for domination over others, the elements that create strife among individuals and wars among nations, all originate with this one. So the Bible tells us in James, chapter four. All the seven great world powers from Noah's day to ours and all their "satellites" have been subject to this world's spiteful god. How could their fragile human might ever conquer or destroy him? *Destroy* him? They could not even *see* him!

What has been true of the nations individually must certainly be true of them when grouped together. Thus as a "League of Nations" and the "United Nations" they continue to fail in their modern-day aims of 'making the world safe for democracy' and establishing the "four freedoms".

Religious approval of such failures has not helped. Labeling the United Nations a "temple of peace" and an instrumentality through which might come "the ultimate establishment of the Kingdom of God" has not made it such. Not God, but only the clergy of worldly religion have called it in this manner. Then is its failure to win peace a mockery of God's power or of that of the combined clergy of Christendom, heathendom and Jewry?

When Jehovah God's onetime name-people, Israel, violated his covenant and he warned them of disaster to follow, deceptive prophets of peace rose up and held that human ingenuity would keep the peace and security. Of these frauds, Jehovah's true prophet, Jeremiah, said: "They have healed also the

hurt of my people slightly, saying, Peace, peace; when there is no peace." (Jeremiah 6:14) As now, repeated reversals embarrassed the fake peace prophets. Another prophet of God, Isaiah, observed: "Behold, their vallant ones cry without; the ambassadors of peace weep bitterly." (Isaiah 33:7) But do not wring your hands and weep for them. Bible-professing Christendom shows its contempt for God's Word by its gross ignorance of its true teachings. It deserves nothing better than the savage wars, tides of crime, delinquency, general immorality and multiplied sorrows to which it has been given up. Do not be misled. God has a far better way.

The Sure Way

Jehovah is the great "God who gives peace" and who will destroy the warmonger, Satan. (Romans 16:20) He promises to bring peace to the peoples through his great mountainlike organization. (Psalm 72:3; 29:11) "For everything there is a season, and a time for every purpose under heaven: . . . a time for war, and a time for peace." (Ecclesiastes 3:1, 8) In Eden and later to Abraham and his descendants, Jehovah promised a seed of deliverance who would crush the serpent and bless "all the nations of the earth". (Genesis 3:15; 22:18) With his chosen nation, Israel, God provided a pattern of his purposes. To King David, of the royal tribe of Judah, Jehovah gave the covenant for the kingdom, assuring that a "son of David" would inherit it. (Psalm 89:35-37) Isaiah offered further inspired assurance, saying:

"For unto us a child is born, unto us a son is given; and the government shall be upon his shoulder: and his name shall be called Wonderful, Counsellor, Mighty God, Everlasting Father, Prince of Peace. Of the increase of his government and of peace there shall be no end, upon the throne of David, and upon his kingdom, to establish it,

Mr. J. Edgar Hoover, Director
Federal Bureau of Investigation
Washington, D. C.

Dear Mr. Hoover:

I am not sure whether or not you are the person I should be writing to, or whether I should have tossed the enclosed piece of newspaper into the wastebasket. As you can see at a glance this is a "hate the Jews" campaign with pictures yet to go along with it, and is put out by some so-called "Christian" Educational Association of Union, New Jersey. Believe me it is educational! Before the election we received one which stated that since the Zionests were backing Kennedy, no one should vote for him. Perhaps I didn't back Kennedy either, but believe me, something should be done about the malicious, hate propaganda that this organization is spreading.

I have no doubt taken up enough of your time already, but I would appreciate hearing from you on one point if it is not against the rules, so to speak. That is, just what kind of an organization is the Christian Educational Association of Union, New Jersey? Strictly prejudiced? or more?

KEEP CHRIST IN CHRISTMAS

Christmas Is Christ's Birthday

Recently the columns of the National Republic Magazine exposed a secret drive in New Jersey, launched by the Superintendent of the Sayresville public schools, to abandon Christmas observances. The directive sent out by Superintendent R. S. Pollack advised the principals of the schools in his areas to gradually drop the customary observances in such a manner as not to incite the public. The directive also specified that there would be no image of Christ displayed, no props representative of Angels and no singing of hymns, such as "Silent Night," "Hark the Herald Angels Sing" and other Christian hymns. "Folk Lore" was to be substituted, if indeed any observances of the great event were to be held.

Pollack stated in his directive that within the next few years all Christmas observances in schools in New Jersey would be ruled illegal under the State anti-discrimination laws. He said that he had been so advised by the State Administration. The part of the people in New Jersey who are in the majority, however, have not been so easily won over. The first report censured the Superintendent, but before an official and final report was issued, the Superintendent was absolved of any wrongdoing. The investigators evidently learned that the New Jersey State Anti-Discrimination Board was the culprit. Nothing more appears to have been done in the matter in view of the fact that the State Legislature had enacted an anti-discrimination law under the influence of anti-Christian forces, leaving it up to the School Board to determine the scope and enforcement of it. Many criticized Governor Meyner for having permitted the passage of such an act, as well as for his selection of certain Board members.

At the height of the uproar in New Jersey the anti-Christian group promoting the drive announced that similar drives in the future in other communities would be launched in July, thereby taking the fury out of the effort since the Christmas spirit would not be at its height at that time. The drive in New Jersey began in November of 1956.

In July of this year another successful drive was launched to take Christ out of Christmas in Sierra Madre, California. Over the opposition of a multitude of taxpayers, the Parent-Teachers Association and many others, the School Board sustained the move to adopt a ruling such as that which had been previously forced on Christians in New Jersey. And so there will no longer be displayed the Nativity scene or image of Christ and Angels and no Christmas carols will be sung in the public schools in Sierra Madre. But the stores of those promoting the anti-Christian move will be aflame in their commercialization of the observance of the birth of Christ, the Savior of mankind.

Other communities are confronted with anti-Christian drives. One effort in New York resulted in a mass turnout in the community, and the Board of Education had to rescind its action in the face of public indignation and a threat to boycott the schools.

HAPPY BIRTHDAY ON CHRISTMAS

The Christmas tree was lighted
The old folks gathered 'round
To get their gifts and listen
To the children's happy sound.

Our little Nell was singing -
Just as happy as could be -
As she danced 'round among us,
Gathered near the Christmas tree.

The tune that she was singing
Seemed to me to be all wrong -
Since her little melody
Was "The Happy Birthday" Song.

We thought - in her confusion -
Mixed up, but wanting to sing,
She'd thought of nothing better
Than that little birthday thing.

Then sweet her voice came singing:
"Oh, Happy Birthday to You,
Happy birthday, dear Jesus,
Oh happy birthday to You."

—Edward V. Wood

"Christmas in July" was celebrated by five Protestant churches in Vicksburg, Michigan, and Dover, New Jersey, this year. The off-season observance of Christmas, in all its glory, was in protest against the commercialization of Christmas by non-Christians. Some are proposing that the countermove be adopted in all sections of the country to combat the move to take Christ out of Christmas—boycott those who boycott Christ. On the other hand, many disapprove of sacrificing an event so memorable for even that purpose.

The drive to take Christ out of Christmas observances is only one plank in the anti-Christian nation wide move. In New York, New Jersey and other states the Ten Commandments are not permitted to be mentioned in public schools.

In Washington, D.C. religion in schools has also become a major issue. The Commandments and the Bible will become forbidden reading if the anti-Christian drive succeeds.

This is similar to Hitler's book-burning campaign of Communist literature, over which the world was aroused. A Unitarian minister, Dr. A. Powell Davies, of Washington, D.C., publicly dismisses Christmas as "a beautiful legend," but considers it ridiculous not to have courses in Marxism.

Water Won't Run Up Hill

BUT IT WILL BACK UP HILL
IF DAMS ARE BUILT TO TEMPORARILY
DEFEAT NATURE.

So with integration and race-mixing, Handpicked political judges may issue orders to change nature and force race-mixing. They may create dams against nature, and those dams may stand for a while, but as with water, there will always be a pressure against the dams and when the pressure becomes strong enough those dams crumble.

It is worth noting that peace and harmony existed for more than a hundred years under segregation until two wars, unquestionably promoted by Jews, developed a situation where the large number of Jews forced out of Europe, built up tremendous financial and political power. The Anti-Defamation League (Jewish FBI), the most conniving of the 200 Jewish organizations, has organized them into a cooperative group and added other groups they have infiltrated, such as some labor leaders, Americans for Democratic Action, the NAACP, the Liberal Party, Socialists, Communists and Unitarians.

These are organized political blocs masterminded by Jews and those non-Jews they have trained as Felix Frankfurter trained many non-Jews during his 20 years teaching at Harvard University. These trained seals were then forced into our government when FDR opened the gates and their influence still remains.

This organized gang of Marxists and their dupes backed by the Zionist owned TV, radio and most publications have brainwashed so many that the unorganized Christians have been unable to prevent the methodical placing of subservient judges to declare as law what these interlocked groups want as law. Hence, today, we are to be shackled and ruled by INJUNCTION. Foreign ideology is to guide us from cradle to the grave. The packed Supreme Court quoted a Swedish communist as their authority for the integration ruling.

The Zionist Jews, the most segregated group in the world, which set up communism in Russia in 1917, are maneuvering good neighbors into confusion, dividing them so they hate each other.

The plan is all set out in the PROTOCOLS which the Jews scream are a forgery. As Henry Ford said: "The PROTOCOLS fit the times for over 60 years and fit the times today." A small minority now directs the entire changing of our government.

Integration is one of the moves to condition us for communism and many uninformed people are helping the Marxists in these movements. The masterminds, carefully hidden behind scenes, have developed several false battle cries such as—"preventing Negro Children from attending school," that "we must integrate to impress the people" (who have not yet abandoned

Germany Under Zionist Rule

By Anthony Wayne

Since the prostituted press and other media of mass appeal refuse to print more than one side of the so-called German question, here are a few pointers from someone who has been stationed in Western Germany (Bremen and Munich areas) and who has experienced what it must be like to be a "rump-German." By that I mean one of the inhabitants of the 2/5 of the formerly German area, known as West Germany. The other 3/5 the hate-blinded grave diggers of Western ideas, civilization and Europe have handed over to Slavic lands and thus to Bolshevism. A West German is a man without a country and without any tradition. He lives from day to day, not giving a damn, and is drifting deeper and deeper into nihilism, because he has lost his national identity. The Wirtschaftswunder is nothing but the reconstruction period of a country that has been thoroughly and viciously destroyed by fire and bombs. To build up from smoldering ashes and rubble calls for effort, work, materials of all kind, and a will to survive, if not as Germans, at least as a faceless somebody with a chance to keep on making a living. Once the rebuilding has been finished, the economic climate in Germany will be pointing towards storm.

This West German is the fall guy for the entire Europe and its many, many sins, not all of them of German origin. Labor is less profitably employed in West Germany than in other European countries, all the babble about high wages notwithstanding. The German workman pays MORE than anybody else in West Germany for the foreign soldiers in Germany, for the multi-reparations to all comers and then some; he pays for the Aufbau (reconstruction) office, and the office is not needed.

On top of all the miseries the hatemongers in Europe, USA and Soviet Union try to continue the war which, nominally only, ended in 1945. Our kept newspapers and the miserable other mass communication media have orders to knock Germany day in and day out, until the pitiful remnants of 2/5 of former Germany gives up the ghost and surrenders to East Germany and thus to communism. That seems the master plan. Hence the rehash and frightfully detailed stories about Nazi crimes, whereby a seemingly new fraud in the form of a diary by a ten year old Jewish boy is being employed to stir up hate for Germans and love for Jews. Communism is our dangerous enemy, yet we are doing everything to make our people hesitate to spring to arms if and when the red butchers start the war. No, we keep on yapping about Nazis, and every moron in the land knows that Hitler is dead as a doornail. Germany is swarming with heavily armed foreign armies. The Soviet Union has pointed hundreds of ballistic missiles at Germany and it would take no more than 30 minutes to blast that drastically maligned, persecuted and frightfully defamed country off the map. Just why do our newspapers and those who terrorize them into submission prefer to wipe Germany off the map and have Bolshevism take over?

We have in the USA millions of double-dealers who have ambitions to become people's commissars. Ask any refugee from Red Russia and he will tell you what kind of people ordered the mass executions of anti-Bolsheviks! Do not laugh, my friends, because one fine morning YOU will wake up and see armed mobs in the streets, with confusion being the leitmotif by which the minority will take over and YOU will, as did many millions of Russians, end your miserable life with a bullet in your neck. If you did nothing to stop the traitors in our midst, you would deserve that bullet.

You notice how the anti-semitic wave in

GERHART EISLER (✱)

Gerhart Eisler, for 12 years Chief of the Communist Underground in the U.S., escaped on a Polish ship in May, 1949. Since then he is Propaganda Minister for Communist East Germany.

Germany and the world was used to eliminate West Germany as an entity. While you were avidly reading wild, hysterical stories about what a drunk did to one of the holy cows (a returned Jew in Western Germany is called a holy cow, because nothing and nobody may touch him, no matter what he does, say or whom he insults), Communists are quietly and effectively moving in on us. Listen to New York radio station WMCA some night and find out how bold these red conspirators have become. They yell NAZI, NAZI, NAZI, while Russia puts ballistic missiles into Cuba, ninety miles from Florida! They yell NAZI while obviously Red submarines invade Argentine waters. They yell NAZI while the worst mass killer in government service, Comrade K, is telling the world that NAZIS are finished as a power, degenerate, etc. etc. Yes, they keep on yelling NAZI until they can take over, and then the masquerade ends and the conspiracy against you and all of us will come out into the street, armed, ruthless, burning with hatred against Christianity and law and order.

Radio in the U.S. and our three major T.V. networks run by Zionists continually smear Germans. The T.V. stations feature at least three anti-German films a week. A check in downtown New York last week showed twenty-eight theatres featuring "hate German" programs. While communism steadily saturates one country after another, the Zionist monopoly ignores this but goes all out to smear Germany which was crushed fifteen years ago. Apparently the Jews wish to promote indifference to Germany's plight so there will be no objection to communist-controlled East Germany taking over West Germany.

Communist Jews developed the Anne Frank fraud to make millions for the communist party and create hate of Germans. NOW, Adolph Eichmann's importance is exaggerated so as to create sentiment for six million Jews who are really enjoying prosperity in the U.S. Gullible Christians swallow this Jewish showmanship and deceit. You will be surprised, what innocent, smiling brotherhood promoter and neighbor will introduce himself to you as your commissar! Ask refugees from Russia, they know!

But back to Western Germany. They are hopeless victims of hate. Their army is insufficiently armed, spiritless, not knowing for what or why to fight. Their country? WHAT Country? Their people? Who are they and where are they? Their military leaders have been declared "criminals," many of them have been hanged and not only at Nuremberg. In Landsberg an die Lech more than five hundred Germans have been hanged, quietly, efficiently, ruthlessly. In the communist countries they did not bother to count the Germans that were murdered. After all, we are only permitted to interest ourselves when Jews are mur-

dered; all others do not count.

Germany today is nothing but an allied colony, with Germans permitted to make a living and otherwise be treated like Chinese used to be treated in pre-communist Shanghai. The German knows who his masters are, but he doubts whether the whole, faithless, lying mess will endure, anyway. The Jews in his midst he pities, and he harbors a scale of feelings towards them, from Christian pity and remorse to the cold question: Why did you come back? Some of the Jews throw their weight around; some exhibit the proverbially dangerous chip on the shoulder; other Jews operate black markets. Some run "cafes" which our own American army in certain cities declared out of bounds. Any German who dares as much as glare at a Jew is hustled off to jail.

To be a West German is to be nothing, as far as national dignity, national consciousness and national pride are concerned. He works, eats, buys a car or motorcycle, and wonders what will be the lot of his children in five or ten years.

The world has refused to listen to Germany. It has refused to print the truth about the hundreds of thousands of German women who were mass-raped by the Russian soldateska, the very people we are now being taught to like, and to appreciate. Boy, we shall appreciate them, all right, particularly our women should Cuba be the bridgehead for Soviets invading the United States! Go to West and East Berlin and ask one of the survivors of the greatest mass rape and mass killing in the streets of Berlin, by the communists from the Soviet Union. Go, ask them! You won't find any newspaper in the USA which would print these facts. Why? Then...

are not permitted to say anything against them.

Our time is running out if we Americans do not assert ourselves and keep the red flood under control. As a final word and warning: Do not worry so much about card carrying communists; they are bait. The ones you MUST worry about are the creatures who would be your death dealing commissars tomorrow morning, if you do not watch out and seek the facts of life and death. Believe me, the commissars of the future are not so foolish as to join any communist party. They have orders to dress like you, talk like you, but keep on poisoning your and my mind if we let them. Their reward: A Soviet America, with them as our lords over life and death.

Impossible? Why don't YOU ask a refugee from the Soviet Union? Let them tell you what happened in Russian cities in 1917. Then start stiffening your back and flex your muscles. Traitors are not only at the gate, they are right in our midst with false beards and false slogans;

West Germany is again being used by the Red conspiracy to drag the now proverbial Red Herring across our path to direct our attention away from the Soviet and Bolshevism. West Germans today are the most miserable slaves in modern times. Their masters are everywhere, their future is mortgaged, 3/5 of their land has been stolen from them, their strip of territory is grandiosely named Bundesrepublik yet is nothing but a section of former Germany occupied by six or seven different foreign armies. The biggest joke in Europe is the fact that one of the "protecting" armies is that of tiny Luxembourg, which has stationed its entire "army" on German soil to protect you, me and the West Germans from the Red Soviet! You must see them parade near Mayence (Rhein area) to appreciate the joke!

West Germans are now being brainwashed and browbeaten to get ready for more and more and more reparations to Israel and

May The Good Lord Bless & Keep You

As each year draws to a close, we are thankful for the many blessings we have enjoyed during the year. We are grateful for our friends who have helped to keep us on the front line in this fight to preserve Christianity and our beloved country.

This year has been extremely difficult one for us. Our Editor has been forced to "slow down" due to physical overstrain; we have been under-financed, overworked, and have accomplished only a fraction of the projects we started out to complete, but we are happy to be alive, with a warm building to work in, with enough food and clothing. But most of all, we are so thankful for our wonderful loyal friends who have made this possible. We take our enemies in our stride; we pity them.

We can't help but reminisce when Christmas time comes; and as each card is received with its beautiful remembrances, we visualize the sender. And we here would like to send each and every one of our friends a personal card with a personal message. But since that is not possible, we trust you will accept this as our personal wish to you. We hope the Savior, whose birthday we celebrate Christmas day, will bless you and your family abundantly with good health, happiness and contentment, and above all, give you the courage and strength necessary to face the coming year with renewed faith. It is our hope and prayer.

RABBI'S PROPOSALS

CHRISTIANITY IN SCHOOLS

Again this fall, as every fall in recent years, we see in various newspapers throughout the country the efforts of rabbis and certain stupid gentiles to destroy Christianity's observances in the public schools. This is obviously part of the Zionist drive to wipe out Christianity. The only excuse the rabbis can think of for their attack is the demand for "separation of church and state."

We hear them singing this verse over and over like a broken record.

To see their hypocrisy in this propaganda song we have only to look at the public schools of their own state of Israel. The lead editorial in the California Jewish Voice of Nov. 22, 1957 showed the complete and absolute unity of church and state in that Zionist totalitarian state. It even speaks of the "state religious systems."

"It goes without saying that the discussion of the need for greater stress upon the traditional, cultural and ethical values of Jewish life in Israel educating has been limited so far to the State schools; for in the State-Religious (sic) systems, religious living and tradition are their 'raison d'être' and they attempt to hand down to the child as much religious material as possible."

The completely totalitarian religious-cultural-racial training by the state in Israel ought to be called to the attention of every minister and layman who lets the rabbis lead him by the nose in the direction of religious and racial suicide.

(It is of interest that the same editorial describes the Jewish religion as more cultural and ancestor-worship than worship of God: "Judaism can hardly be called a religion in the ordinary sense of the word; it seems, rather to be compounded of national customs, festivals and ways of living, stress on personal ethics and a moral philosophy of history based on the conception of the divine power as a force making for righteousness. Judaism is a cult, based on the hatred of Jesus Christ.")

Continued from page 1

in the schools. This month in New Jersey Attorney General Richman, Jr., ruled that the saying of Grace aloud or secretly will not be permitted in the schools, although he said that it is not illegal to read briefly from the Old Testament. The New York State Commissioner of Education, according to the American Legion of New York, upheld the singing of the off-color song, "The Lonesome Train," in the face of public protest, but he outlawed the Ten Commandments in the schools. The anti-Christians and Atheists have a big job ahead, for Bible reading is required by law in 37 of the states and the U.S. Government has recently added the words "In God We Trust" to the one dollar bill.

MARXISM IN CHRISTMAS CARDS

Reprinted from—
"DAUGHTERS OF AMERICAN
REVOLUTION" magazine

...to spend this Christmas in support of the anti-Christ propaganda expressed in certain greeting cards? It is a matter of public record that the creative arts have been deeply penetrated by Marxist symbolism and crypto-Communist messages. These facts can be readily ascertained by reading Senate and Congressional Reports on the subversive process.

In 1948, the United Press quoted a letter in the "Soviet Literary Gazette," published in Moscow, in which thirty-two leading American writers and painters declared they wanted to share the public duty assigned the "intelligentsia" of the Soviet Union to work to break the chains with which the United States capitalists have shackled creative workers!

One of the signers of this open letter to the Soviets was Philip Evergood (1947, 1948, 1949, 1951 Reports of Un-American Activities in California) who drew one of the Christmas cards on display at the headquarters of the Progressive Citizens of America (1947, 1948, 1949, 1951 Report of Un-American Activities in California) then at 205 East 42nd Street, New York, New York and also on sale at the Communist Bookstore Workers Bookshop, then at 50 East 13 Street, New York, New York.

Evergood pictured a Christmas tree being carried out of the North Woods in Canada by a French Canadian and a negro woodcutter. (The number of negroes in French Canada is very small; thus the use of the "unrepresentative" example was employed to get over a racial angle.)

A card by Joseph Hirsch (1949 Report of Un-American Activities in California) was an etching of an absolutely naked woman sitting cross-legged on the floor and throwing a naked baby up in the air. This was titled: "Mother & Child." Another card was a grotesque negro child's head with a halo, a crown of thorns and pierced hands.

Of the six artists who made this series in 1947, the following five are listed as sponsors of the Cultural and Scientific Conference for World Peace, which in turn was sponsored by the National Council of Arts,

Sciences and Professions (1949, 1951 Reports Un-American Activities in California), held in New York, New York, March 1949: Hirsch, Gross, Gwathmey, Evergood and Strand, the latter two having more than twenty citations each in the California Legislature's Reports on Subversive Activities.

So the radical Marxist invasion of the Christmas card field was established. For several years after, a New York City department store near Christmas advertised "The American Artists' Group," among them Adolph Dehn (1948, 1949), the late John Taylor Arms (1948), C. E. Burchfield (1948) and George Schreiber (1948) whose citations can be found in the California Reports of Un-American Activities for the years indicated.

The winner of the Hallmark Art Award for Christmas Cards in 1952 was Anton Refregier (1947, 1948, 1949, 1951 Reports Un-American Activities in California). Regardless of his record, he received \$2,000 prize money for a weirdly designed tree with a (Picasso) dove in suspension above it. (This, too, is a sly introduction of Communist symbolism for "Peace.") A further use to which this contest was put was the country-wide exhibition of the 100 best cards; the admission fee was given to UNESCO.

The nadir of bad taste was reached by Brentano's Bookstore, Inc. in 1953 when they sent out a brochure, which the writer has, advertising their "mischievous" Christmas cards. Just what is "mischievous" about the Feast of Christmas was not explained, but the cards were plainly sacrilegious in that they showed a drunk on the back of a speeding coach, a quartet of drunks singing carols, and even Santa Claus with a big glass of brandy.

By this time public opinion was beginning to sense something repugnant in the Christmas card business. The New York World Telegram & Sun's Murray Robinson was complaining about the Christmas cards put out by the Museum of Modern Art (one of which pictured a starved looking deer, half skinned with his "innards" showing like those of a dollar alarm clock). Ben Shubin (1949 Report of Un-American Activities in California) was included in the show; also, as late as this Spring, he had a show at Freedom House, New York City.

Famous columnist, Bob Considine, ran an article in 1953 on bringing Christ back on Christmas cards "where He is having as much trouble finding room as His family did in that inn at Bethlehem some years ago."

Again Murray Robinson protested against "novelty" Christmas cards. He had been sent a set by some greeting card company, and when he opened one card, his finger was caught in a mousetrap! He finished with the plaintive hope: "Wish somebody would stop 'em from putting mousetraps in Christmas cards. Mousetraps and comic poetry."

Nor is this conspiracy to put over the Marxist socialist message even on our most sacred Holy Day confined merely to the United States. In 1935, from Auckland, New Zealand came word that New Zealand has virtually banished "pagan" Christmas cards in what the islands printers describe as a "revolution" in public demand. "Cards which have nothing to do with the spiritual side of Christmas are gone from the market."

When you choose your Christmas cards, be alert to any outright or concealed technique indulged in to convey a clandestine MARXIST message. Let us remember that Christmas is a Christian observance of the birthday of Jesus, the Christ.

eating their foe and raping White women who came to Africa to help raise them from savagery.)

No Negro children have been prevented from attending school in the U.S. Many Negro schools are superior to White schools, but the Marxist plot forces Negroes against their will to abandon schools.

Martin Luther King (with a red record and a communist manager) states on TV,—"All people are born equal." What a silly statement! Some are born crippled, some morons and others normal. This is Bolshevik thinking. What a mess this world would be even if all adults were equal.

Regardless of political judges there will not be integration in the U.S. Spotted so-called integration temporarily, yes. But not successful integration unless we develop into a country like Puerto Rico and Cuba where many are half-breeds.

The United Nations, which was set up by the American Jewish Committee (see JEWISH YEARBOOK) works for One World with all races abolished.

Khrushchev must be laughing as he sees how we are being confused and divided at a time when he is preparing to spring the trap on the remaining free countries. Marxism marches on with Kennedy riding the White Horse in the parade. Kennedy was carefully picked to lead in a plot just as FDR was to crush Germany and make the world safe for communism. Khrushchev tells Kennedy he hopes he will carry on where Roosevelt left off.

Only one thing will turn the tide and defeat the Marxists and their judges from placing all State government in Washington: **STRONG PATRIOTIC SENTIMENT.** How to develop that? Prayer and intelligent work—hanging on like a bulldog—and weak-hearted lazy people who do not understand the conspiracy making room for dedicated patriots who are glad to give their energy and money. Sacrifice—pray—work—fight. It will not be easy or quick with TV and radio owned by the enemy, and newspapers owned or controlled through paid-advertisers. If a sufficient number of people will give a few hours a week to soliciting subscribers to **COMMON SENSE**, we alone would gain sufficient strength to develop Patriotic Sentiment.

individual Jews. The last hate campaign against Germans and the ever more bold "Love the Soviet" campaign are centered in England and America, with the rest of the world wondering what the death dealers are up to. The West Germans live in real terror, day in and day out. Their courts are dealing out draconic sentences for anti-semitic remarks that are commonplace in other countries. In West Berlin two men quarreled at a bar. One man took a bar stool and smashed his opponents jaw. Results: The man with the smashed jaw went to jail. His opponent was a Jew. He cannot be touched. All over West Germany the legal (court) terror has people whispering in anger and dismay.

A German married to a Jewess quarreled with her, as married couples do. Result: The German (husband) went to jail for anti-semitic remarks, although he couldn't be a Nazi because he did marry a Jewess, didn't he? Yet, to jail he went!

Schnellgerichte (Blitz courts) are dealing sentences right and left. In Hamburg two cars collided. One German went to jail, the other, a Jew, went free. The German had said something the Jew did not like. This is sheer terror against Germans!

The newspapers? Don't make me laugh! I am an American who speaks, writes and

Overwhelming for Kennedy How Jews Vote

By HERB BRIN

Jewish voters, in the big cities of America, were the determining factor in the election last week of John F. Kennedy as President of the United States.

Granted a shift of conservative Catholic votes in these cities to the Kennedy ticket—which offset the loss of Protestant votes in rural areas in protest to a Catholic as President.

But if the voting figures which are available from key precincts of virtually total Jewish population in Los Angeles are significant, it is apparent that even a split of Jewish voting in the big cities would have turned the tide for Nixon.

Here are the results in seven representative precincts of the Beverly-Fairfax district of Los Angeles:

Precinct 1662—Nixon, 6 votes; Kennedy, 127.

Precinct 1665—Nixon, 10; Kennedy, 159.

Precinct 1659—Nixon, 10; Kennedy, 250.

Precinct 1657—Nixon, 6; Kennedy, 231.

Precinct 1661—Nixon, 10; Kennedy, 186.

Precinct 1656—Nixon, 7; Kennedy, 211.

Precinct 1654—Nixon, 18; Kennedy, 168.

There was hardly a Nixon bumper strip to be seen at any parking lot of a Jewish institution.

Obviously, precinct sampling in Jewish districts of high economic interest would show a higher percentage of Nixon votes. But not in proportion to general voting practices of other ethnic groups.

I asked one authority for comment, since it was apparent that both candidates

reads German. I was in Germany only recently and this is what I was told:

Germans know that their newspapers are owned by licensees of the occupying powers. These newspapers and magazines are owned by scalawags and carpetbaggers. They are solidly against Germany and Germans. Their viewpoint is diametrically opposed to legitimate German interest. All of them, every single one, is strongly pro-Jewish and often controlled by Jews. All this is true of radio, television and the movies. **JUST LIKE THE UNITED STATES!**

We are experiencing a wave of terror which beggars description. The dance around the golden calf gets more and more frantic, and in the end: Red, bloody Bolshevism! That's behind the hate Germany campaign! Have you noticed how they left out East Germany? Why? Do you know who actually runs and rules there? Remember Eisler, remember "bloody" Hilda (Benjamin) who hanged countless young Germans after the East-German Rebellion had collapsed?

"Bloody Hilda" is East Germany's boss and prosecutor. She is a JEWESS.

THE PALESTINE ARAB DELEGATION STATEMENT BEFORE THE SPECIAL POLITICAL COMMITTEE OF THE U.N.

Speech by Mr. Emile Ghory Nov. 1960

It is in the Middle East that the fuse for World War III is burning. Zionist pressure on our State Department caused the U. S. to back Israel in their robbery of Arabs homes and farms, forcing more than a million adults and children into the desert where they have existed like animals for twelve years. The U.S. also reneged on financing the Aswan Dam until we have forced the Arab countries, who were our friends, to accept Soviet Union cooperation. War is brewing in the Middle East. Those who wish to understand this explosive situation will find this brochure valuable. It is an accurate lesson in history. Newspapers have not dared tell you the truth.
